IN THIS ISSUE:

HOW TO DRAW MONTH

This month, ***PREVIEWS*** once again pays tribute to that DIY spirit that drives all comic book artists to create their own stories and illustrations, to not only try to be the next big thing, but to get their tales into the hands of appreciative fans. Besides a great story and characters, every comic or graphic novel needs great, unique artwork, and we're dedicating this issue once again to the theme of "How to Draw"! We've highlighted dozens of books and publications this month to help everyone — from the neophyte to the old pro — learn something about the art of comic art. Just look for our *How to Draw* icon throughout this issue! And don't miss your chance to shine with our DRAW YOUR OWN HERO art contest on page 266!

HAPPY NEW YEAR!

Hey, welcome to the year 2017! This is the first in an all-new year for ***PREVIEWS*** (our 29th year of publication for those keeping track), and we're on our way to issue #350… and beyond! More and more each year, I really do feel like "Old Man Previews" around here. But that doesn't mean I'm not always feeling young-at-heart. I may be an old dude, but I look out of this skull with the same brain and sense of wonder that I had back in the '80s when I first got into this biz. You're truly only as old as you feel!

And speaking of something new, we've made some cosmetic changes to this issue… including snazzy new sidebar designs on the section pages. But the real change is with our covers. We've updated our cover design to incorporate more information, and we've added a sweet matte finish, which we think looks really nice! We like to shake things up every year or so, and this year was no different. We hope these changes, as small as they may be, meet with your approval and enhance your enjoyment of ***PREVIEWS***!

This month is also our annual HOW TO DRAW month, were we highlight great titles that help you to draw comics like the pros. And we're giving five talented readers and opportunity for 30 days of fame with our DRAW YOUR OWN HERO contest! We're asking our readers to create their own original heroes, and to Tweet their artwork to @***PREVIEWS***world (#***PREVIEWS***hero) for a chance to win a prize package of great How to Draw books, and to get their original character showcased in a future issue of PREVIEWS! That's not just 30 days of fame, that's FOREVER… 'cause, like, PRINT is forever, or something like that.

And finally, if it's January, then that means it's time to once again reveal our new crop of titles for FREE COMIC BOOK DAY 2017! This is our 16th year for FCBD, and we've got another stellar line-up of titles with truly something for every taste under the sun, for comics readers of all ages! And they'll all be available for FREE on May 6th, 2017 (the first Saturday in May)!

That's a pretty big issue for a January! But that's the way we like 'em here!

Thanks for joining us for another great ***PREVIEWS*** New Year, and don't forget to "Save the Date" and prepare yourself for Free Comic Book Day 2017 — it's just a few months away!

Your Pal @ ***PREVIEWS***,

BATMAN™: ROGUES GALLERY - MR. FREEZE -

Release: MAY 2017

SRP $199.99

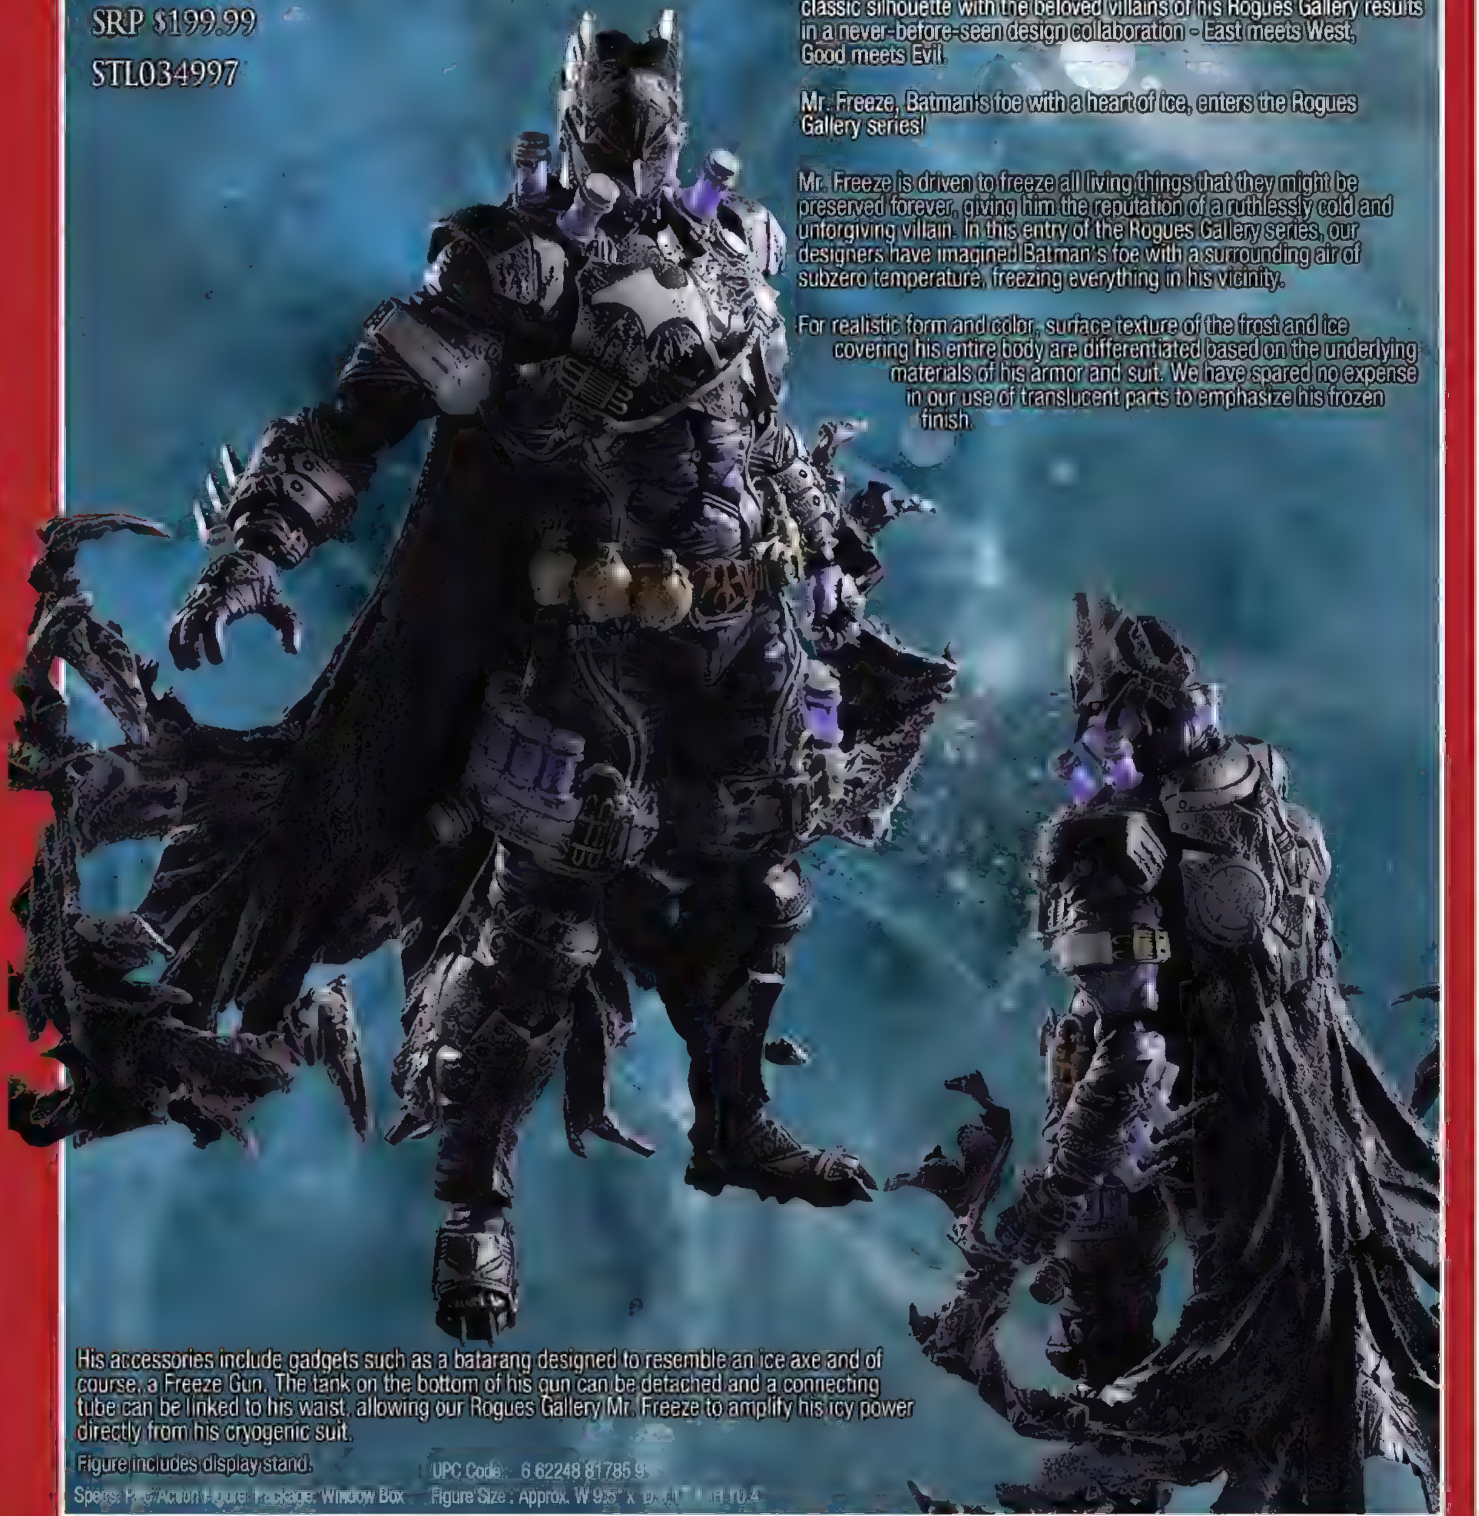
STL034997

The DC Comics Variant Play Arts KAI line announces its latest collection: the BATMAN™: Rogues Gallery series! This mashup of Batman's classic silhouette with the beloved villains of his Rogues Gallery results in a never-before-seen design collaboration - East meets West, Good meets Evil.

Mr. Freeze, Batman's foe with a heart of ice, enters the Rogues Gallery series!

Mr. Freeze is driven to freeze all living things that they might be preserved forever, giving him the reputation of a ruthlessly cold and unforgiving villain. In this entry of the Rogues Gallery series, our designers have imagined Batman's foe with a surrounding air of subzero temperature, freezing everything in his vicinity.

For realistic form and color, surface texture of the frost and ice covering his entire body are differentiated based on the underlying materials of his armor and suit. We have spared no expense in our use of translucent parts to emphasize his frozen finish.



His accessories include gadgets such as a batarang designed to resemble an ice axe and of course, a Freeze Gun. The tank on the bottom of his gun can be detached and a connecting tube can be linked to his waist, allowing our Rogues Gallery Mr. Freeze to amplify his icy power directly from his cryogenic suit.

Figure includes display stand.

ANTHONY DEL COL

EDGE ESSENTIALS

Pick up these books to learn more about Anthony Del Col's Indie Edge style!

- **Kill Shakespeare Vol. 1: Backstage Edition Oversized HC** (AUG140500)
- **Assassin's Creed Vol. 1: Trial By Fire TP** (FEB161789)
- **Sherlock Holmes vs. Harry Houdini TP** (JUN151252)

Please tell us a bit about yourself!

I'm the writer of the new Dynamite series *Nancy Drew & The Hardy Boys: The Big Lie*. Prior to that, I was co-creator and co-writer of the acclaimed IDW Publishing series, *Kill Shakespeare*, which has been nominated for Harvey and Joe Shuster Awards. The series has also been adapted into a stage show, board game and is currently in development for television with Universal Cable Productions. I'm also the co-writer of the *Assassin's Creed* comic series, published by Titan Comics, and Dynamite Entertainment's *Sherlock Holmes vs. Harry Houdini*. In addition to comics, I've also been involved in the music, film and television industries, most notably as the producer of two feature films and serving as a manager for international pop star, Nelly Furtado. An although I'm a proud Canadian, I currently live in Brooklyn with my amazing wife, Lisa.

What are your favorite projects you've contributed to over the past decade?

That's a tough one, but I'd have to say *Kill Shakespeare* (IDW Publishing), the story I co-created with Conor McCreery (art by Andy Belanger). I loved being able to bring characters like Hamlet, Juliet and Lady Macbeth to life for new audiences and readers, not only in comics but on stage, a board game and now in development for television. Coming off of that, co-writing Titan Comics' *Assassin's Creed* has been great, as we were able to deep-dive into fascinating historical time periods within the larger world of the games. And finally, I enjoyed being able to push together two smart and stubborn characters in Dynamite's *Sherlock Holmes vs Harry Houdini.*

What are you currently working on?

In addition to launching *Nancy Drew and the Hardy Boys: The Big Lie* (see page 349 for more details on the series!), I'm also working on two new stories with Image Comics — one an over-the-top World War II historical fiction adventure based on a legend, and the other a sci-fi thriller that deals with modern-day technology and scientific theories. Both are due in 2017. Oh, and I'm also developing *Kill Shakespeare* for television, my first project in that medium.

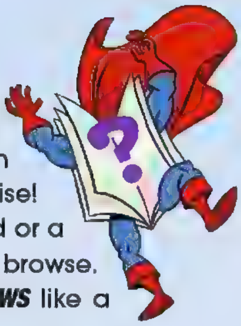
Valiant
Wrath of the Eternal Warrior
James Bond 007
The Pitiful Human-Lizard

What fun titles are you reading?

I'm really sad that Valiant's *Wrath of the Eternal Warrior* (*Vol. 1* / FEB161915) is ending, but I highly recommend that everyone pick up the first two trades! It's a great combo of writing (Robert Venditti knows how to tell a story) and art (Raul Allen is a strong talent). I've always been a HUGE fan of 007, and I've really been impressed with the ongoing *James Bond* Dynamite series (Vol. 1: Vargr HC / APR161508). I'd love to write one of the adventures in the future (*not-so-subtle plea…*). And as a Canadian living in the US, I always gravitate towards titles from publishers there, and Chapter House Books' *The Pitiful Human-Lizard* (*Vol. 1* / JAN161296) by Jason Loo, is a quirky and amazing love letter that has adventure and heart.

Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

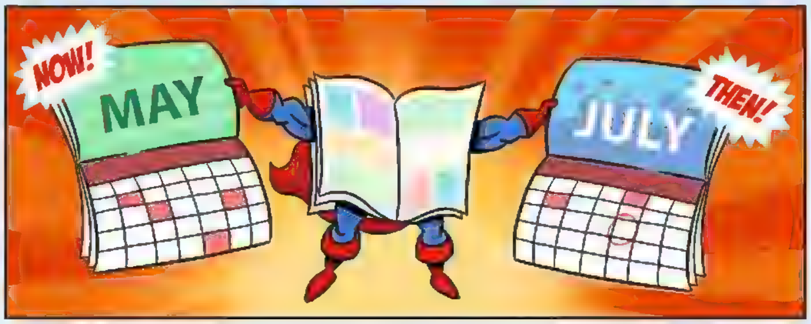
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

Heritage Comics & Comic Art Nets Nearly $10M

Golden and Silver Age keys and original Underground Comix art pushed Heritage's November Comics & Comic Art Auction to nearly $10 million.

Impressive comic sales were *Superman* #1 CGC 4.5 for $358,500 and *Batman* #1 CGC 5.5 for $239,000. Steve Ditko's *Amazing Spider-Man* #27 splash page 1 original art realized $239,000 and Alex Raymond *Flash Gordon* Sunday strip art netted $95,600. Robert Crumb's *Thrilling Murder Comics* #1 "Jumpin' Jack Flash" 4-page story art reached $143,400 and his *Mondo Snarfo* "Grim Grids" 3-page story art brought $131,450.

A Link to the Past at 25

The Legend of Zelda: A Link to the Past arrived on the SNES in 1991 but wasn't directly related to the story of either of the first two. Reverting to the first game's overhead perspective (*Zelda II* used side-scrolling action), it follows Link as he seeks to rescue Hyrule from Ganon.

A Link to the Past introduced items and concepts that became staples in future installments, like the Master Sword, the ocarina, and the notion of parallel worlds. A landmark title, the game sold 4.61 million copies around the world and is one of the most critically-acclaimed on the system.

What's Cool in this Month's Catalog!

January 2017 | Edited By: Allyn Gibson | editor@PREVIEWSworld.com

AMERICA CHAVEZ DISCOVERS HERSELF IN MARVEL'S *AMERICA*

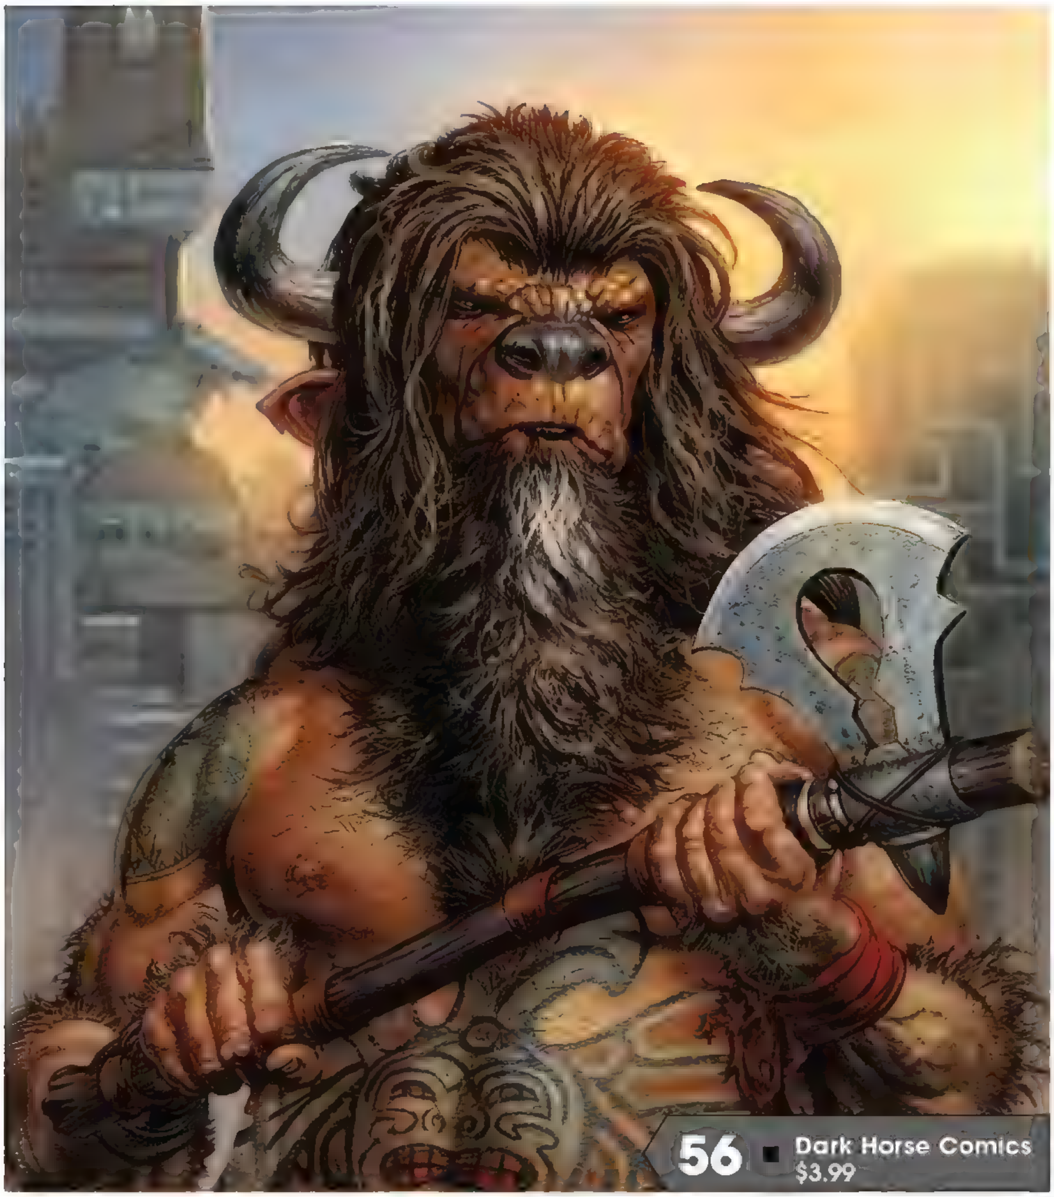
America Chavez has spent her short life as a super-hero, traveling the multiverse as a member of the Teen Brigade, the Young Avengers, and the Ultimates. But who is she? Like many teenagers, she enrolls in college to rediscover herself in Gabby Rivera and Joe Quinones' *America*, a brand-new ongoing series starring the fan-favorite Marvel Comics character that begins in March!

Most teenagers enroll in college and ask themselves, "Who do I want to be when I grow up?" America, already a super-hero, has a different question: "Who am I when I'm not kicking holes in reality and hanging out with Galactus?" She faces different challenges than her peers — they don't need to worry about new powers emerging, summons from the Ultimates, or aliens who have decided she's a god — but she has many of the same issues, like making it to class on time, finding time to write her papers, and wondering if there will be any cute girls at an off-campus party. Yet, even with the challenges of campus life, America finds the time to deliver the smackdown on super-villains and monsters alike.

Gabby Rivera, the LGBTQ author of *Juliet Takes a Breath*, the acclaimed young adult novel about a Latina's coming out as a lesbian, brings her life experience to America Chavez, Marvel's interdimensional Latina LGBTQ teen, in the perfect pairing of creator and character. Rivera is joined by *Howard the Duck*'s Joe Quinones in *America*, bringing together insightful writing, solid character work, and high-octane action in the highly-anticipated series.

America Chavez's college career begins this March in Marvel Comics' *America* from Gabby Rivera and Jon Quinones!

The fan-favorite transdimensional hero faces her newest challenge — college! — in Marvel's new series



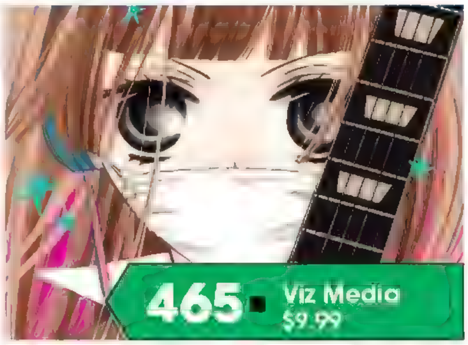
NEIL GAIMAN'S *AMERICAN GODS* COMES TO COMICS

Published in the summer of 2001, Neil Gaiman's *American Gods* quickly became an urban fantasy classic and won the Hugo and Nebula Awards for Best Novel. In Gaiman's novel, the gods of the old world have lived on though their powers have diminished as their followers dwindled away, and in their place new gods, American gods, powered by modernity and pop culture have usurped their place. Now the old gods are striking back, and Shadow Moon and his friends are caught in a war between the gods.

P. Craig Russell, Gaiman's long-time collaborator and adapter, is joined by artist Scott Hampton, and together they bring the story of *American Gods* to comics for the first time in Dark Horse Comics' *American Gods: Shadows*. Shadow Moon, an ex-con, meets the enigmatic Mr. Wednesday, who employs him to be his bodyguard. Soon, Shadow finds himself drawn into the world of the supernatural, and he begins a journey that will lead him into a confrontation between forces both old and new!

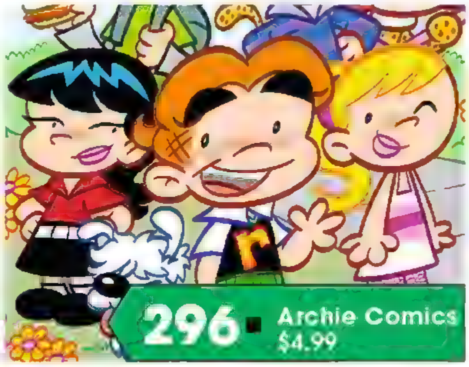
Coming soon to Starz in a television series from Bryan Fuller (*Pushing Daisies*, *Hannibal*), *American Gods* is a modern literary classic, and this spring it will come to comics in Dark Horse's *American Gods: Shadow!*

Adapted by P. Craig Russell and Scott Hampton, Neil Gaiman's award-winning novel comes to comics in a new Dark Horse series.



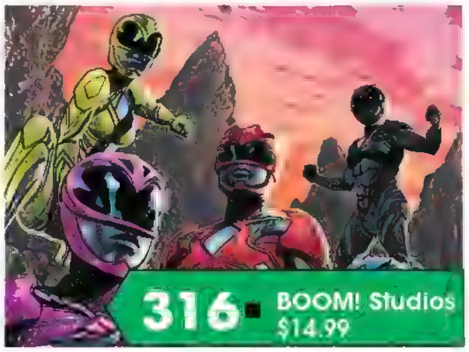
A YOUNG GIRL'S VOICE RECONNECTS HER WITH LOST FRIENDS

Nino has a talent — she's a marvelous singer. In Ryoko Fukuyama's moving manga, *Anonymous Noise*, Nino's voice reconnects her with one of two of her lost friends from childhood, but will her voice help her reconnect with the other?



LITTLE ARCHIE RETURNS COURTESY OF ART BALTAZAR AND FRANCO

Archie and the gang are back as elementary school aged children in Archie Comics' *Little Archie One-Shot* from fan-favorite creators Art Baltazar and Franco, one of the four one-shots from Archie this month!



BEYOND THE *POWER RANGERS* FILM, A NEW GRAPHIC NOVEL FROM BOOM!

Set after the events of March's *Power Rangers* film, BOOM! continues the story in *Saban's Power Rangers*, an original graphic novel from Ryan Parrott and Lucas Werneck that features a ***PREVIEWS*** Exclusive cover from Greg Smallwood!

CLASSIC CHILDREN'S CHARACTERS FACE THEIR GREATEST TEST

Beloved by children for over eighty years, the Hardy Boys face their most challenging case when they're accused of murdering their father! With Nancy Drew helping them, can they clear their names? The classic Edward Stratemeyer characters are given an updating in a hard-boiled style by Anthony Del Col (*Kill Shakespeare*) and Werther Dell'Endra for Dynamite Entertainment's *Nancy Drew & The Hardy Boys: The Big Lie!*

TWO ERAS OF GHOSTBUSTERS MEET AT LAST

When the Ghostbusters — Peter Venkman, Ray Stantz, Egon Spengler, and Winston Zeddemore — begin sharing their knowledge of the paraphysical world with a group of students, an accident triggers a space-time inversion and merges their universe with another, one with an entirely different team of Ghostbusters — Erin Gilbert, Jillian Holtzmann, Abby Yates, and Patty Tolan! Now the Ghostbusters of two worlds have to team up to save reality in IDW Publishing's *Ghostbusters 101!*

The original Ghostbusters meet the stars of last year's Ghostbusters film for the first time in the crossover fans have waited for! A DEATH HAUNTS A FAMILY IN JEFF LEMIRE'S *ROYAL CITY*

Jeff Lemire (*Descender*, *Sweet Tooth*, *Extraordinary X-Men*) returns to his roots as a chronicler of familial secrets, the fading heartland, and lingering emotional pain in his new series from Image Comics, *Royal City*.

Patrick was a literary light, the toast of cocktail parties and seminars, but his moment as a shining star has receded into the rearview mirror. He returns to his hometown, a decaying industrial city where opportunity goes to die, and the family that he left behind — the despised mother, the feckless father, the siblings who never left the town behind as he had. But there are memories there, too, memories of the brother who died long ago and the life left unfulfilled.

Patrick tried to put the past behind him, but the past never went away and, as he discovers, it is still all too present in Jeff Lemire's *Royal City*, a powerful and emotional story of a broken family and their broken dreams.

Returning to the emotional territory of Essex County, Jeff Lemire writes and draws his most personal work yet.

GET CREATING WITH *PREVIEWS*' HOW TO DRAW MONTH

PREVIEWS' How To Draw Month pays homage to the do-it-yourself spirit that launched the comics industry. Where would we be today if two young lads named Jerry and Joe didn't create their own comic book? Two guys — one a writer, the other an artist — launched a genre and forged a legend. Who will be the next Siegel and Shuster? Who will create the next comic book classic?

Many creators attempt to do just that each month. Some self-publish their own comics, some create fanzines and chapbooks. Some publish webcomics. Some of these creators are noticed by publishers large or small. Some of their creations catch on with the public, and some fail. Regardless of where they wind up on the sales charts, however, these creators all started in the same place: at the drawing board.

Like any skill, creating comic books at any stage of the process — whether writing, penciling, inking, lettering, or coloring — requires practice and technique. Creators, at any skill level, can take advantage of ***PREVIEWS'*** How To Draw Month, which spotlights books that will help them become better comics creators, including Abstract Studios' *Terry Moore's How to Draw*, :01 First Second's *Adventures in Cartooning: Characters in Action*, WW Norton's *Will Eisner's Comics & Sequential Art*, Watson Guptill's *Stan Lee's How to Draw Comics* or *The DC Comics Guide to Writing Comics*. These and dozens of other books featured with the "How To Draw" icon throughout the catalog can "draw" budding creators into your store to pick up tips and techniques that help them realize their potential.

Check out these books and help your customers hone their craft as ***PREVIEWS*** celebrates the do-it-yourself spirit this month with our annual How to Draw Month!

TITAN COMICS

KIM NEWMAN'S ANNO DRACULA COMES TO COMICS!

FEATURED ITEM

This March sees the release of an all-new comic series based on the best selling **ANNO DRACULA** novels, written by creator **Kim Newman** with art by Paul McCaffrey (*Doctor Who: The Third Doctor*).

The Anno Dracula novels depict an alternate 19th-century history where the characters of Bram Stoker's Dracula fail to prevent Count Dracula's subjugation of Great Britain, creating a world where vampires are living amongst humans and are a central part of society. The series also features characters including Jack the Ripper, Professor Moriarty and Van Helsing.

Kim Newman's Anno Dracula series of horror novels, which was first published in 1992, has garnered high praise since its initial release, including from literary superstar **Neil Gaiman**, who helped to develop the series and called Anno Dracula "compulsory reading," citing the series as a main source of inspiration for his Hugo award-winning short story, 'A Study in Emerald'.

We chatted to Kim Newman about this exciting new comic series.

KIM NEWMAN, WRITER, ANNO DRACULA

For those unfamiliar with the property, what can you tell us about your ANNO DRACULA series?

Kim: The premise is that, in 1885, Count Dracula comes to Britain, as in Stoker's novel... but isn't defeated by Van Helsing. He marries Queen Victoria and takes over the country, installing vampire toadies in high positions. Vampirism spreads throughout all classes. Not everyone is happy. Anno Dracula, the first novel, is set in 1888, three years after Dracula's rise to power... and later books follow the story of his influence on a global scale over the next hundred years – The Bloody Red Baron in World War One, Dracula Cha Cha Cha in Rome in 1959 and Johnny Alucard in Eastern Europe and Hollywood in the 1970s and '80s. Daikaiju, a forthcoming novel, will be set in Tokyo in 1999.

As creator of the ANNO DRACULA series, how does it feel to bring the characters to new audiences with comics?

Kim: I'm very enthused about this project. When Titan began reissuing the series and publishing new work, the idea of doing a comic in parallel with the novels was mooted. Obviously, I'm as intrigued as anyone else to see how my imaginary world and characters will look.

Titan's ANNO DRACULA is a brand-new series. Can you tease a little about what we can expect from this new take?

Kim: It's not a straight adaptation of the novel – I was insistent from the first that if there was going to be an Anno Dracula comic, a) it would be a new story that fits into the series as an essential component rather than a footnote or aside and b) I would write it.

The full title of this five-issue miniseries is Seven Days in Mayhem: Anno Dracula 1895, and it's set in London during a celebration of ten years of Dracula's reign – which isn't something everyone is that keen on celebrating. It follows characters who've been in the novels – particularly Kate Reed, a radical journalist/vampire who is part of an anarchist revolutionary cell, and Penelope Churchward, an ambitious society vampire who is on the jubilee committee – but also brings on some new players, particularly the members of the Council of the Seven Days, who might well carry over into subsequent books... if they get through this story alive (and, in some cases, even if they don't).

Part of the format of the series is the use of characters borrowed from Stoker and many other literary sources, and so we get to meet some familiar faces – I'm particularly pleased to give the Daughter of the Dragon and Irma Vep, who've had some introduction in the AD novels (also my books Professor Moriarty: The Hound of the d'Urbervilles and Angels of Music), a little more space in the comic. And I've enjoyed making over a selection of characters from Joseph Conrad, Henry James and G.K. Chesterton – who all wrote about Victorian terrorists. As usual with the Anno Dracula series, there's a lot of ground to cover – mystery, horror, romance, satire and twisted history.

You are joined on this journey by legendary comics artist Paul McCaffrey. Why is he the best collaborator for ANNO DRACULA?

Kim: He's been reading the series ever since 'Red Reign', the try-out novella I wrote before Anno Dracula.
Paul obviously has a lot of sympathy with and enthusiasm for the project – which he actively pursued. His character designs are terrific –it's no easy task to come in and put a face to someone like Kate Reed, who's been in several books and has her own following but has always been vaguely described. I'm eagerly anticipating what Paul does with the world.

SUMMON THE THUNDER WITH DIAMOND SELECT TOYS' THOR RESIN STATUE

521

Diamond Select Toys revisits Walt Simonson's legendary 1980s run on *Thor* with the *Marvel Milestones: Armored Thor Resin Statue!* At the climax of Simonson's run, Thor sports mighty golden armor, a visored helm, and a full beard. This powerful interpretation of Marvel's god of thunder is sculpted by Phil Ramirez for a 20" tall statue that depicts Thor swinging Mjolnir and ready to strike. A collectible no Thor fan will want to miss, with this Thor statue you will feel the thunder!

ONE WHISPER FROM THE POP! BLACK BOLT FIGURE WILL BRING DOOM

542

The ruler of the Inhumans, Black Bolt's merest whisper can destroy mountains, fell cities, even ravage entire continents. One of the smartest beings in the Marvel Universe, Black Bolt joins Funko's *POP! Vinyl Figure* line with two new figures, both thankfully completely silent! Black Bolt's familiar costume is rendered with either Silver highlights or Blue highlights and is available exclusively through ***PREVIEWS!***

"Sur Saray" is a Year One story set during Tom Evans' time serving in the Afghanistan war. Tom has returned to active duty after going AWOL to rescue his brother from Site ALEPH, but his unit, the PCE Squad is folded into an unscrupulous mercenary platoon. Frustrated by the injustices he's witnessing on a daily basis, Tom begins slipping away by night, using his new powers to right the street-level wrongs the military is too unwieldy to effectively address. This tale is the perfect lead-in to the much-anticipated return of *Captain Canuck* in his own regular series later in May 2017. (STL036383)

It's the night of the Po-town Spill, and things are getting weird. Strange lights fill the sky, the house across the street is melting, and the neighbors are turning into meat puppets. Lexa's big sister and parents are gone, and all she has for company in this calamity is her rag doll, Vespertine. Luckily, since the Spill began Vespertine can talk, and has plenty to say. GRAPHIX SPOTLIGHT: TIME SHIFTERS

(W/A/CA) Chris Grine
When Luke investigates an eerie blue glow in the woods behind his house, he doesn't know what he'll find there. But a scientist, a robot Abraham Lincoln riding a friendly dinosaur, and a sassy ghost were the last things he could have imagined stumbling upon. Now, as Luke and his new companions are pursued by a bickering trio of bumbling henchmen who are after the strange device locked to his arm, he's forced on a crazy, headlong adventure in a parallel dimension! Will he find his courage in time to save the day and get home or will he be trapped in a weird alternate reality forever? (STL035992)

Mysterious invaders are threatening Earth . . . so recruit a group of elite school kids to play video games that secretly train them for the *real* fight that lies ahead! Does this plan sound familiar? Well, they'd better get a new plan, because the elite school kids are Shinji, Rei, Asuka, and Kaworu, and they're too busy playing games to ever get in the fricking robot!

- **Full of video game parodies—it's *Evangelion* meets Let's Play!**

THE MOST FAMOUS ANIME FRANCHISE OF THE LAST 20 YEARS!

HATSUNE MIKU: RIN-CHAN NOW! VOLUME 2 TP

SAVAGE THINGS #1

Written by JUSTIN JORDAN • Art by IBRAHIM MOUSTAFA • Cover by JOHN PAUL LEON

Twenty-five years ago, a secret government organization kidnapped children and trained them to be chaos agents who went on to foment unrest and execute enemies of the state around the world. When these cold and unfeeling creations proved too difficult to control, the powers that be exterminated their kill squad with extreme prejudice.

Too bad it didn't work.

Now a rogue band of the worst monsters the world has ever known is cutting a swath of terror across the United States, threatening not just a disruption of the peace but to expose secrets their handlers never wanted to come to light. The only way to stop them is to call back the only man who ever walked away from them. His code name is Abel, and he's not afraid of getting his hands bloody.

This new eight-issue miniseries from writer Justin Jordan (*The Legacy of Luther Strode*) and artist Ibrahim Moustafa (*High Crimes*) features the action of the Jason Bourne movies with the gruesome horror of classic grindhouse!

THE FILTH TP

Written by GRANT MORRISON
Art by CHRIS WESTON and GARY ERSKINE
Design cover

One of Grant Morrison's most imaginative series features a heady brew of big ideas, exotic locales and bizarre action, starring prosthetically outfitted dolphins in scuba gear and a hard-smoking communist chimpanzee. This new trade paperback collects the entire thirteen-issue series plus bonus materials!

THE X-FILES, VOL. 2: CAME BACK HAUNTED

writer **Joe Harris**

artist **Matthew Dow Smith**

cover **menton3**

For years, FBI agents Fox Mulder and Dana Scully toiled in the X-Files Unit, a one-office division of the Bureau dealing with cases deemed unsolvable and related to unexplained phenomena. Eventually, both agents left the FBI and began new lives in peaceful anonymity. However, recent events prompted them to return to the Bureau and the X-Files. In "Came Back Haunted," a thwarted attack puts a community of refugees at risk, but when a connection to a recent mall shooting is found, Mulder and Scully must determine the cause of the violent outbreaks, why the government is covering it up, and just what the connection to old secrets they'd believed dead and buried really is. Collects issues #6-9.

"Let's Do The Space-Warp Again!" Before they began investigating the supernatural, most of the original Ghostbusters were teachers... and they've decided it's time they start sharing their knowledge again. But when their first batch of students start poking around the firehouse and accidentally set in motion the merging of two universes (it's easier than you'd think) Venkman, Stantz, Zeddemore, and Spengler will need all the help they can get to put things right! And who do you think will Answer The Call? (If you guessed Holtzmann, Yates, Tolan, and Gilbert... you get a gold star!) It's a brand new inter-dimensional meeting of the minds, starting here!

Certified Cool

writer **Devin Faraci**

artist/cover **Vic Malhotra**

Jim Thompson's sinewy, brutal, and beloved novel comes to life in this graphic noir-novel! In ***The Killer Inside Me***, Thompson went where few have dared, giving us a pitch-black glimpse into the mind of the American serial killer years before Charles Manson, John Wayne Gacy, and Brett Easton Ellis' ***American Psycho***, in the novel that will forever be known as the master performance of one of the greatest crime novelists of all time.

adaptation/cover **Troy Little**

Top Shelf Productions

In proud partnership with the Hunter S. Thompson Estate, Top Shelf Productions is pleased to present *Fear and Loathing in Las Vegas*, a delightfully bonkers graphic novel by Eisner-nominated artist Troy Little adapting Thompson's seminal book of the same name. Join Thompson's alter ego Raoul Duke on the mother of all Vegas benders, as he and his attorney Dr. Gonzo cover a motorcycle race, crash a drug-enforcement convention, and rack up obscenely large room-service bills, all while dosed to the gills on a truly spectacular assortment of mind-altering substances. This special edition hardcover collects the series in black & white, sized at 7" x 11" for maximum enjoyment.

RAGNAROK, VOL. 2: THE LORD OF THE DEAD

writer/artist/cover
Walter Simonson

Ragnarök, the doom of the gods, has finally occurred. But the long-held belief that evil would be destroyed along with the gods in that final conflagration proved false. Only the gods died. The Nine Worlds collapsed and became the Dusk Lands, a vast twilight realm inhabited by men, trolls, demons, and shattered kingdoms, under the tyranny of the Great Enemies. After hundreds of years, a single god emerged into the post-Ragnarök world, Thor, the God of Thunder. But Angantyr, the Lord of the Dead, has discovered his reappearance, and unleashes his draugar, the undead walkers, against the Thunder God, seeking to destroy the last vestige of the former worlds, and the only hope for the present one. Collects issues #7–12.

ESSENTIALS

Considered the first comic book with original material ever produced, 1933's ***Detective Dan, Secret Op. 48*** was a landmark. It only lasted one issue before morphing into the ***Dan Dunn*** newspaper strip. At first a blatant copy of Chester Gould's ***Dick Tracy***, ***Dan Dunn*** quickly developed into an exciting and compelling series starring a rough and tumble Secret Service agent who exacted violent retribution on any criminal who dared cross his path. This book reprints the entire first year of daily comics.

GEM OF THE MONTH

In a fantastical post-industrial desert, fifteen-year-old Boetema suddenly develops the ability to astral project to other planets while she sleeps. When she accidentally gets a young man hurt on a planet light-years away, she must figure out a way to project back to save him. On her own world, Boetema's two parents have temporarily left her and her thirteen-year-old brother, Inotu, to make a living as salt shepherds. Left to their own devices, the two siblings must flee across a dangerous desert when Inotu gets into trouble with a threatening cyborg bodyguard. As Boetema visits amazing planets and encounters vibrant cultures, she must confront her mistakes and learn to trust in Inotu as she navigates her newfound abilities.

GEM OF THE MONTH - DOUBLE-SIZED DEBUT ISSUE!

NEW ONGOING SERIES written *and* illustrated by **JEFF LEMIRE** (**DESCENDER**, **A.D.**, **Sweet Tooth**). **ROYAL CITY** charts the lives, loves, and losses of a troubled family and a vanishing town across three decades. Patrick Pike, a fading literary star who reluctantly returns to the once-thriving factory town where he grew up, is quickly drawn back into the dramas of his two adult siblings, his overbearing mother, and his brow-beaten father, all of whom are still haunted by different versions of his youngest brother, Tommy, who drowned decades ago.

ROYAL CITY is a return to the literary and thematic territory of **LEMIRE**'s breakthrough graphic novel **Essex County** and is his most ambitious, and most personal project to date.

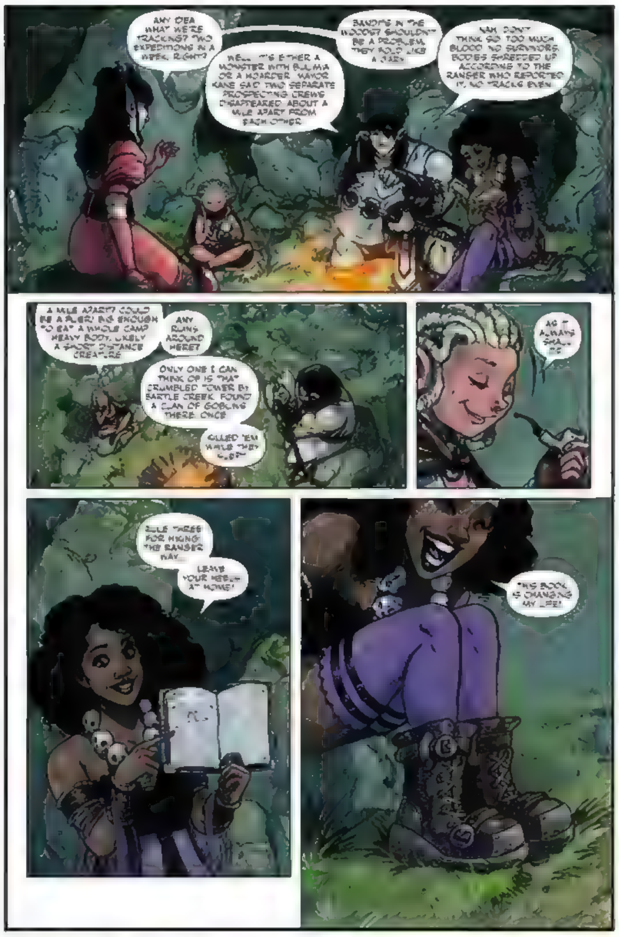
YOU READY TO DO THIS? AREN'T RUSTY FROM MONTHS AT SEA GIGGLING AND DRINKING WITH A BUNCH OF DANDY SAILORS?
OW
WE'LL MAKE YOU PROUD, BRAGA! IT'S BEEN AWHILE SINCE WE'VE QUESTED, BUT WE'RE QUESTY PEOPLE!
NOT YOU I'M WORRIED ABOUT, DINGDONG. WHERE'S VIOLET? DON'T TELL ME I'M GONNA HAVE TO PROTECT ALL OF YOU.
SHE'S COMING. THIS SMELLS REAL GOOD. WHAT IS THAT SPICE? PIKE LEAF? COLLANDER?
MY LUNCH.
FRIENDS SHARE TRAIL FOOD.
I'VE HEARD ABOUT THE SORT OF EDIBLES YOU BRING ON QUESTS. I'LL STICK TO RABBIT.



ANY IDEA WHAT WE'RE TRACKING? TWO EXPEDITIONS IN A WEEK, RIGHT?
BANDITS IN THE WOODS? SHOULDN'T BE A PROBLEM. THEY FOLD LIKE A LADY.
WELL, IT'S EITHER A MONSTER WITH BULIMIA OR A HOARDER. MAYOR KANE SAID TWO SEPARATE PROSPECTING CREWS DISAPPEARED ABOUT A MILE APART FROM EACH OTHER.
NAH, DON'T THINK SO. TOO MUCH BLOOD. NO SURVIVORS. BODIES SHREDDED UP ACCORDING TO THE RANGER WHO REPORTED IT. NO TRACKS EVEN.
A MILE APART? COULD BE A FLIER! BIG ENOUGH TO EAT A WHOLE CAMP. HEAVY BODY, LIKELY A SHORT DISTANCE CREATURE.
ANY RUINS AROUND HERE?

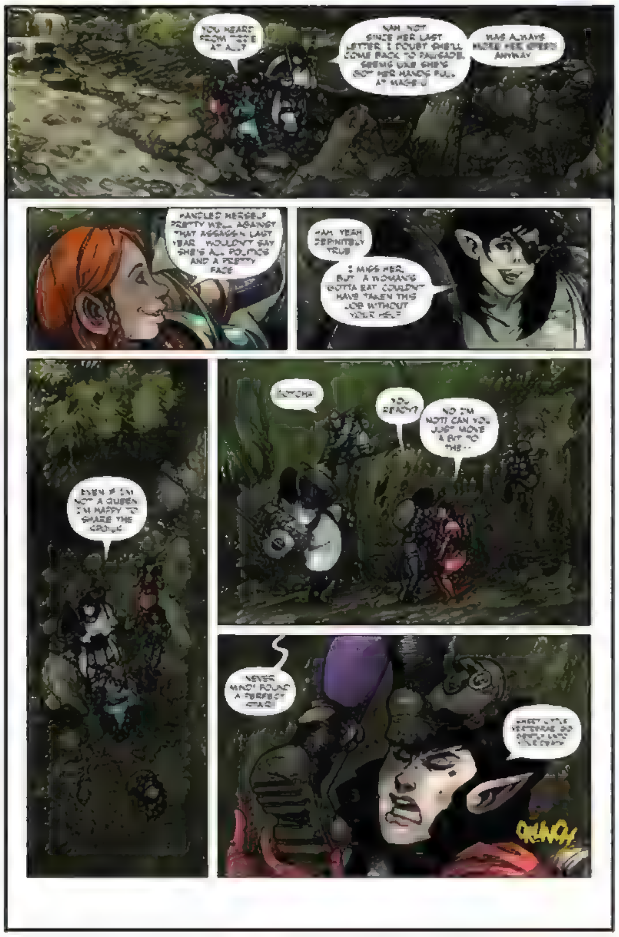
IF YOU CAN SWING A SWORD AND HAVE NO MORAL COMPUNCTION ABOUT KILLING ENEMIES IN THEIR SLEEP, WE'RE GOOD.
HEY, THIS IS THE RAT QUEENS WE'RE TALKING ABOUT.
YOU KNOW, AFTER EVERYTHING, IT'S GOOD TO BE BACK DOING WHAT WE DO BEST.



YOU HEARD FROM TIZZIE AT ALL?
NAH. NOT SINCE HER LAST LETTER. I DOUBT SHE'LL COME BACK TO PALISADE. SEEMS LIKE SHE'S GOT HER HANDS FULL AT MAGE-U.
WAS ALWAYS MORE HER SPEED ANYWAY.
HANDLED HERSELF PRETTY WELL AGAINST THAT ASSASSIN LAST YEAR. WOULDN'T SAY SHE'S ALL POLITICS AND A PRETTY FACE.
HAH. YEAH. DEFINITELY TRUE.
I MISS HER, BUT A WOMAN'S GOTTA EAT. COULDN'T HAVE TAKEN THIS JOB WITHOUT YOUR HELP.
EVEN IF I'M NOT A QUEEN, I'M HAPPY TO SHARE THE CROWN.

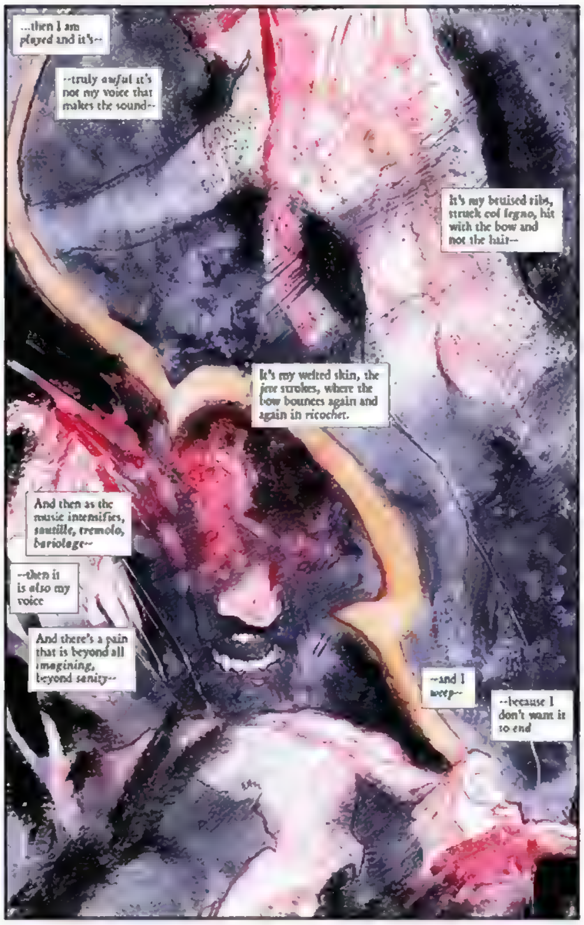
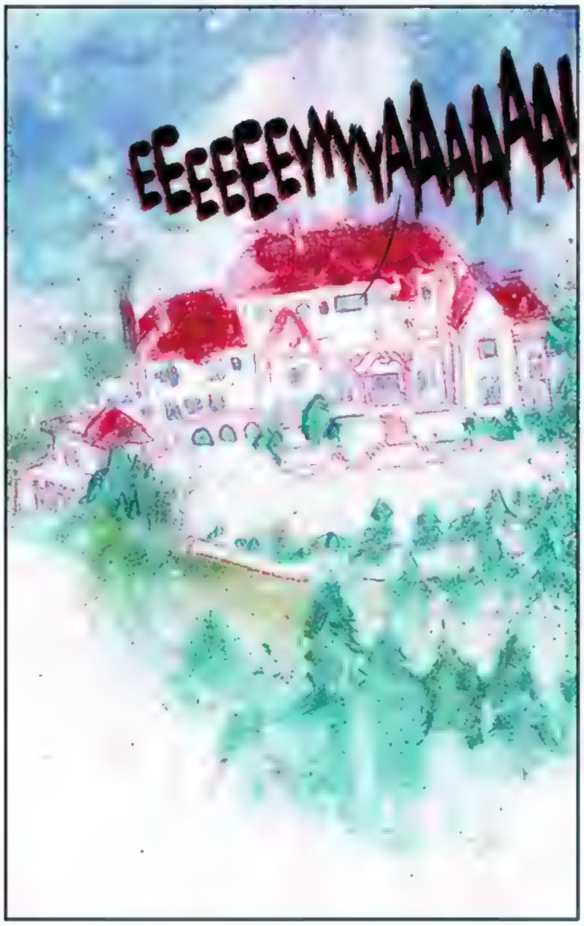
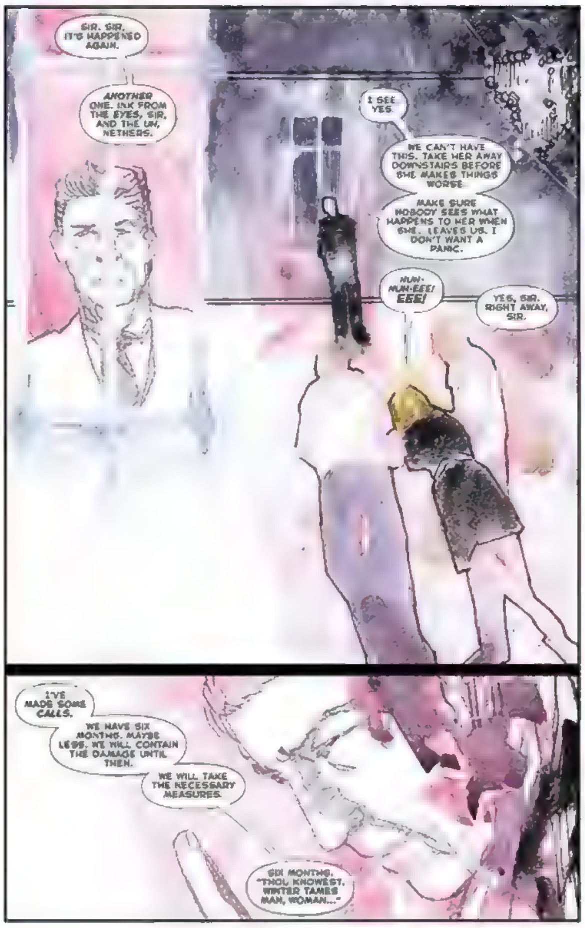
I keep having these nightmares and I think I know why.
Candles guttering in the deep, yawning dark, throwing a light across the strings or the scroll.
Across the laquered body.
Bound, held close, the bow drawn across to sound the first note
A slash of silk brushing slowly over skin, like the frills of a passing deep-sea fish.
I get to thinking that this is the worst part, the part just before it starts to hurt...
And then...



...then I am *played* and it's--
--truly *awful* it's not my voice that makes the sound--
It's my bruised ribs, struck *col legno*, hit with the bow and not the hair--
It's my welted skin, the *jete* strokes, where the bow bounces again and again in *ricochet.*
And then as the music intensifies, *sautille, tremolo, bariolage*--
--then it is also my voice
And there's a pain that is beyond all *imagining,* beyond sanity--
--and I *weep*--
--because I don't want it to end



EEEEEEYYYAAAAAA!



SIR. SIR. IT'S HAPPENED AGAIN.
ANOTHER ONE. INK FROM THE EYES, SIR. AND THE UM, NETHERS.
I SEE. YES.
WE CAN'T HAVE THIS. TAKE HER AWAY DOWNSTAIRS BEFORE SHE MAKES THINGS WORSE.
MAKE SURE NOBODY SEES WHAT HAPPENS TO HER WHEN SHE... LEAVES US. I DON'T WANT A PANIC.
MUH-MUH-EEE! EEE!
YES, SIR. RIGHT AWAY, SIR.
I'VE MADE SOME CALLS.

WE WILL TAKE THE NECESSARY MEASURES.

CANNIBAL, VOL. 1 TP

A category five hurricane sweeps through the Southeast, uprooting ancient mosquitoes carrying a virus that causes the infected to crave human flesh. One year later, with no cure in sight, the region has become split over what to do with the victims. For the Hansen family, the answer is simple: kill them. However, all of that changes when the virus infects people they love.

CANNIBAL is about a small Everglades town that is just trying to hold onto their everyday lives at the dawn of a cannibal pandemic. Told through the eyes of the Hansen family, it's an anti-apocalypse story about a community that is too damn stubborn to give in.

STAR *of the* MONTH

TERRY MOORE'S HOW TO DRAW SC
(W/A/CA) Terry Moore
This is not your typical "How To Draw" book. Written for pros and amateurs alike, Terry Moore addresses the questions and challenges artists find after their art school education. Chapters include how to make art that sells, how to draw cartoons that work, how to draw expressions with even the simplest line and, Moore's forte, how to draw beautiful women. To wrap up, Moore details his step-by-step process making a comic book from drawing board to pdfs. This book is loaded with timely material geared toward the world of comics as it is today. In the 1960s, as the Civil Rights movement shocks America to its core, Second World War veteran Reggie Atkinson sees his teenage son Lee drawn into the dangerous battle for racial equality — and fears for him. Twenty years earlier, in an unheard of place called Tuskegee, Alabama, Cadet Officer Atkinson and his comrades report for pilot training to fight in the war-torn skies of Adolf Hitler's Fortress Europe, forging a legend that endures to this day. This is the story of two generations fighting their own battles and conquering all obstacles in their path.

This is the previously exclusive NYCC variant edition, complete with dust jacket and a variant metallic brush cover. LIMITED to only 200 copies, all signed by GARTH ENNIS and numbered in sequence. From legendary writer Garth Ennis (*Preacher, The Boys*) and artist Simon Coleby (*Judge Dredd, The Authority*).

X-O MANOWAR #1

Recommended by Trevor Richardson

2017 marks the 25th-anniversary of X-O Manowar, and Valiant commemorates this milestone with a relaunch of the series. *X-O Manowar #1* begins with Aric on an alien world, separated from his armor, and reluctantly pulled into a war waging on his new home world. Returning to his barbaric roots, Aric must fight hand to hand without his armor and rise through the ranks as a warrior.

With ambitious storytelling from Matt Kindt, fans of X-O will get to watch their hero's path from lowly soldier to the ruler of this strange new world and beyond. Every stage of the story has already been planned for the entire year with each three-issue arc of Aric's journey drawn by a favorite Valiant artist simultaneously. The first run will feature art by Tomas Giorello with more to come from Douglas Braithwaite, Clayton Crain, Mico Suayan, and more.

The new series represents Valiant's biggest launch to date and is a great jumping on point for new fans while offering epic new conflicts for long-time fans. War is coming for X-O Manowar and it will set the tone for the Valiant Universe for years to come.

SPOTLIGHT ON

Retail Price:	$5.99
Cover:	Mike Wolfer
Writer & Artist:	Mike Wolfer
Age Rating:	Teen

Color, 48 pages

48 PAGES OF CLASSIC SAVAGE DINOSAUR ACTION!

The breakout star of American Mythology's first THE LAND THAT TIME FORGOT mini-series is spotlighted in her own, bonus-sized, pulse-pounding, solo adventure! An outcast from her own tribe and considered a goddess pariah, See-Ta learns of a terrifying phenomenon that is ravaging the wildlife of Caspak, one which could have horrifying ramifications on all of the lost world's prehistoric inhabitants. But it is the shocking architects behind the evil scheme that will leave you shivering in fear! You've never seen a Caspak story like this one, written and illustrated by life-long TLTTF fan Mike Wolfer, and lavishly colored by the incredible Ceci de la Cruz!

HEAVENLY NOSTRILS CHRONICLE VOLUME 5: UNICORN CROSSING GN
(W/A/CA) Dana Simpson
Time flies in this fifth volume of *Phoebe and Her Unicorn!* Follow the lovable duo as they experience somewhat-spooky Halloween parties, ecstatic snow days, and looming summer reading assignments. Although the journey of growing up can sometimes be difficult, along the way Phoebe and Marigold discover something more enduring than goblin fads, unicorn spa vacations, and even a Spell of Forgetting — their one-of-a-kind friendship. SNOOPY TO THE RESCUE TP
(W/A/CA) Charles M. Schulz
In times of struggle — an attack of crabbiness, a stolen piano, a depressed Woodstock — Snoopy's on the scene. Helping the *Peanuts* gang through various adventures (and misadventures), Snoopy continues his standoff with the Red Baron, finds every opportunity to kiss Lucy on the nose, and ventures out to find the mysterious Lila. Meanwhile, Charlie Brown faces anxiety over saying good-bye, Lucy tries ever more desperately to get Schroeder to notice her, and Linus ponders what life would be like without his blanket. Can Snoopy save the day? Find out in this new collection of the classic *Peanuts* comics. (STL035343)

NATHAN HALE: ONE TRICK PONY GN
(W/A/CA) Nathan Hale
The aliens have arrived. And they're hungry for electricity. In the Earth of the future, humans are on the run from an alien force-giant blobs who suck up electrical devices wherever they can find them. Strata and her family are part of a caravan of digital rescuers, hoping to keep the memory of civilization alive by saving electronics wherever they can. Many humans have reverted to a pre-electrical age, and others have taken advantage of the invasion to become dangerous bandits and outlaws. When Strata and her brother are separated from the caravan, they must rely on a particularly beautiful and rare robot pony to escape the outlaws and aliens — and defeat the invaders once and for all! HATTER M: THE LOOKING GLASS WARS VOLUME 6: CROSSFIRE TP

(W) Frank Beddor, Curtis Clark
(A/CA) Sami Makkonen
How does Alyss Heart of Wonderland fare after the creation of Everqueen, as described in *ArchEnemy*, the third volume of the best-selling *The Looking Glass Wars* trilogy? With difficulty. Fending off political assaults from rival suit families, struggling to maintain diplomatic relations with the tribes of Boarderland, Alyss is more vulnerable than ever before. After she barely escapes an attempt on her life, no longer sure whom to trust, she aligns with controversial new allies in order to keep Wondertropolis safe and prevent havoc on Earth. And yet the fight, the battle, finds her — as it seemingly always does — and Alyss discovers that all decisions, even the right ones, have consequences. (STL034927)

I THOUGHT YOU HATED ME GN
(W/A/CA) MariNaomi
When MariNaomi first meets Mirabai in grade school, Mirabai seems to be more of a bully than a friend. But over the course of time, their relationship shifts from tense to friendly, to drifting apart, to reconnecting and finding something much deeper. This comics memoir is about female friendship, a story that doesn't involve stale tropes like acrimonious competition or fighting over boys. It explores the complexity and depth of this particular friendship through snapshot-vignettes of relevant moments over thirty years, painting a portrait of something unique but relatable, common but extraordinary. GRASS KINGS

MATT KINDT AND TYLER JENKINS

The creators of BOOM! Studios' newest original series talk development, storytelling, and collaboration

Grass Kings is one of these amazing collaborations you stumble on every once in a lifetime… maybe. Tyler pitched me an idea… which got my gears turning and we started feeding off each other and building this kind of macro-verse called the Grass Kingdom—a small town of weirdos, misfits, and colorful characters that decide to live off the grid and out of the circles of "normal" society.

The set-up is simple: A small village of squatters live next to this mysterious lake and decide to live by their own rules. Well, that doesn't sit well with the next town over that sees them as criminals. But the real heart of the story is the mystery of a girl that went missing 20 years ago, and the real secrets that the Grass Kingdom is hiding. It's got that plus Tyler's amazing watercolors of bi-planes, wolves, bar-room brawls, drownings, fairy tales, serial killers, shoot-outs, murder, pioneer-era violence, and a really heart-breaking twist.

It really gave us an opportunity to explore ideas of what personal freedom is about and how we use land and possessions to define ourselves. It's also about trying to just live life, have fun, and be left alone to do so—and how that can sometimes lead to problems.

Matt Kindt

Four years ago, my wife and I, with our children, moved to the country. What that conjures in your mind, the phrase "living in the country," may be many things, but I reckon for a lot of people it is acreages and horses and white picket fences and rolling fields and that kinda thing. Maybe that is what I had in my mind too when we decided to move out of the city, and maybe superficially that is what is actually here… until my imagination got to work on things.

Abandoned buildings weighed down with ghosts. Babbling brooks that twist under crooked hangman trees. Beautiful, still, silent, waiting glades. A rat's nest of woods and hills, valleys, and steel-truss bridges with ropes dangling beneath. Abandoned cars and trucks in the back forty and the hard-beaten faces of people trying to forget what they've seen or looking forward to the next time. And the night... You stand on your deck in the dark and strain to see, and it's like nothing is there, but you can feel things moving slowly and hear the soft sounds of waiting. Incidentally, we do have horses and sheep. And the huff of their breath in the dark is really no comfort... they don't run from you either.

Grass Kings is an exploration of that. An exploration of how we cope with the awful things we create and are created for us. It's not a discussion on how far man would go to protect what he has. It's more about how far a man would go to protect the illusion he has anything at all.

COADY AND THE CREEPIES #1 (OF 4)

Written by **Liz Prince**
Illustrated by **Amanda Kirk**
Covers by **Kat Leyh, Liz Prince** *(INCV)*
$3.99 • 32 Pages • Full Color

- Punk isn't dead...but Coady is.
- Coady, Criss, and Corey are sisters and bandmates in the band The Creepies. After a van accident leaves Corey badly scarred and Criss in a wheelchair, they're getting back into the punk scene!
- But they still need to contend with the challenges of staying true to their punk ideals, while also dealing with the media attention they've attracted, as well as the tension surrounding the fact that Coady escaped the accident seemingly unscathed.
- Now on tour, they're fighting their way through the (sometimes literal) battle of the bands, earning enamel pins, and heading for the gig of their lives…so long as no one realizes that Coady is actually a ghost.
- From award-winning comics creator Liz Prince *(Tomboy, Will You Still Love Me If I Wet the Bed?)* and artist Amanda Kirk.

Arthur
King of Britain
by Michael Fraley

ARTHUR: KING OF BRITAIN

Just in time for Warner Bros. big budget King Arthur motion picture! A faithful original graphic novel adventure of Arthur as it was written by Geoffrey of Monmouth in the 12th century. Geoffrey's work is considered one of the most important books of the medieval period and served as the skeletal framework from which all Arthurian tales have since been based. This was the work created and written before later authors and Hollywood added their own embellishments. In Geoffrey's written work, there was no Camelot, no round table, no holy grail, and no Knights of Chivalry. But there is Arthur and this is his tale.

HEROES AND HORRORS

HEROES and HORRORS

Heroes and Horrors anthology provides nine rarely seen or never-before-published heroic and horrifying comic stories from the mind of veteran comic writer Steven Philip Jones.

Featured are entertaining stories with art by Octavio Cariello (The Action Bible), S. Clarke Hawbaker (Nomad), Christopher Jones (Young Justice), Dan Jurgens (Death of Superman), and many more! Foreword by Phil Hester.

"Incredibly creative ... Steve's stories are masterworks of what new comics should be: absorbing and exciting and read again and again." - Clive Cussler, bestselling author.

Counter Parts

COUNTER-PARTS

From best selling author Stefan Petrucha (MARVEL's Deadpool, Captain America). Think people can be disingenuous? Of course and in the future they try on new personas like hats. But when Hieronymus Jones overdoses on TPGs (temporary personality grafts), his original personality is destroyed. Now an experimental cure gives him not 1, but 6 new personalities. Each inhabiting a different part of his body. There's: Bogey, the hard-boiled right arm; Kik-Ii, the Kung-Fu master right leg; Jake, the self-involved torso; Buckley, the too-smart head; Don, the romantic left arm and; Tootsie, the femme fatale left leg! Together, they fight corruption & crime as one strange superhero team. Strap yourself in for one wild ride!

VELDA: GIRL DETECTIVE - VOL. 2

The COMPLETE
VELDA
Girl Detective

A unique take on the more lurid of the 1950s crime comics as if it actually existed as a Golden Age comic. More than a homage to noir films and hard-boiled detective writing of the 50s it includes in issues features such as a Velda paper doll kit & complete '52 Velda pinup calendar. Also added are vintage ads to amuse readers and shorts such as "Hawkshaw Hawk, Bird Detective" and "Neolithica: Girl of the Pleistocene" ."Velda is the kind of detective I like."- Richard S. Prather (writer, Shell Scott novels). "A pulp classic! If you like your action gritty, yet full of surprises, then you'll love Velda..." - Rick Overton (writer, Dennis Miller Show). "The Velda Comic is spectacular.." - Bob Burns. From writer Ron Miller.

YVAIN: THE KNIGHT OF THE LION GN

(W) M.T. Anderson
(A/CA) Andrea Offermann
In his first graphic novel, National Book Award winner M. T. Anderson turns to Arthurian lore, with captivating art by Andrea Offermann bringing the classic legend to life. Eager for glory and heedless of others, Sir Yvain sets out from King Arthur's court and defeats a local lord in battle, unknowingly intertwining his future with the lives of two compelling women: Lady Laudine, the beautiful widow of the fallen lord, and her sly maid Lunette. In a stunning visual interpretation of a 12th century epic poem by Chrétien de Troyes, readers are, at first glance, transported into a classic Arthurian romance complete with errant knights, plundering giants, and fire-breathing dragons. A closer look, however, reveals a world rich with unspoken emotion. Striking, evocative art by Andrea Offermann sheds light upon the inner lives of medieval women and the consequences Yvain's oblivious actions have upon Laudine and Lunette. (STL035396) (C: 0-1-0)

MEGA MAN BOARD GAME

Recommended by Matthew Demory

MEGA MAN
BOARD GAME
CAPCOM

I am absolutely positive that I spent more money as a kid renting some of the classic 8-bit Mega Man games than it would have taken to buy them. Back then I didn't have the money to buy every game I wanted outright, but spending a few bucks every week and to rent a game was a good alternative. Playing as the Blue Bomber, blasting through stages, bashing enemy Robot Masters, and absorbing their power until I came face-to-face with Dr. Wiley, was extremely addicting and kept me busy for hours.

Now as an adult, I've managed to collect the majority of the series and with Keiji Inafune's departure from Capcom, I thought my *Mega Man* collection was as complete as it was going to get. Then I saw the Mega Man board game from Jasco.

The game faithfully recreates the spirit of the classic 8-bit period that many of us grew up with. Up to six players compete to clear stages and defeat robot masters. Once players have defeated two robot masters, you can then move on to Dr. Wiley's stage and work to defeat the game's iconic end boss. The twist of the game is that while you are playing to clear a stage your fellow players can control enemy minions and robot masters to take away precious hit points or extra lives!

If you're a fan of the classic video game series like I am, be sure to grab some friends, some spare energy tanks, and pick up the *Mega Man Board Game* from Jasco!

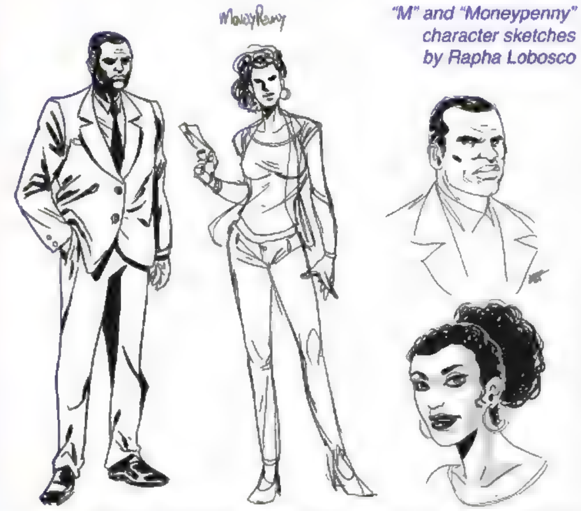
JAMES BOND #1 INTERVIEW w/ BENJAMIN PERCY

Let's start off by getting a feel for what you see in Ian Fleming's James Bond. How do you view the literary and cultural impact of the character, and your contribution to Fleming's legacy here?

James Bond is one of the coolest, most thrilling and iconic characters in literature and film. Everyone aspires to be him — or sleep with him — for the obvious reasons. He is perfectly confident and perfectly tailored, always saying the right thing, always making the right move, whether he's sidling up to a woman at the opera or leaping out of a plane or bulleting along a seaside highway in a silver Aston Martin.

But then there's the other side of *Bond*. The part that scares us — and fills us with wonder. Bond is cool, sure — but he's also cold. Occasionally cruel. Armored and unknowable. Yes, he's the man in the tux toasting a highball along the Riviera—but he's also the man peering through the scope of a sniper's rifle or ditching a garroted corpse in an alley.

One of my favorite first lines — from any novel — comes from Ian Fleming's *Goldfinger*: "James Bond, with two double bourbons inside him, sat in the final departure lounge of the Miami Airport and thought about life and death." That's a snapshot of a haunted man. Beyond the romantic, sophisticated veneer hides a blunt, bloodied instrument.



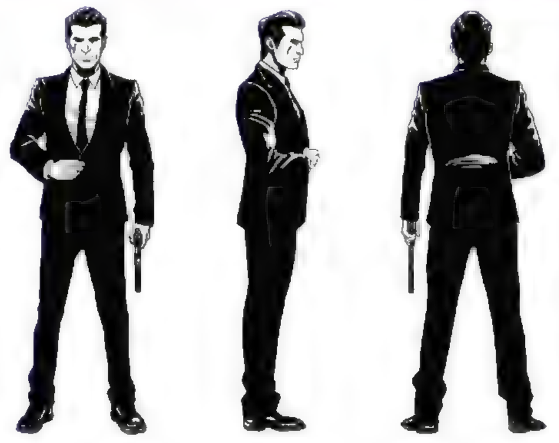
"M" and "Moneypenny" character sketches by Rapha Lobosco

What is your history with the character?

I grew up on *Bond*. When I was a kid, my father and I would watch — over and over again — the Bond marathons on TBS. When I was in high school, I took a career test and wrote "spy" as my dream job. When I was in college, I signed up for an espionage novel course and fell in love with Fleming's books. The first drink I ordered was a vodka martini — shaken, not stirred — though I now stay true to the novels and favor bourbon. And over the past year, I've followed the Warren Ellis run at Dynamite with admiration and jealousy. Bond is ingrained in me, a character who has centrally influenced my life and sense of story. So I feel ridiculously lucky to be contributing to the 007 canon.

Looking at your "Black Box" storyline, if you had a bullet point list of essential James Bond story elements, what would you be checking off?

Readers are going to expect exotic locales, nifty gadgets, colorful villains, dangerous seductions, clever dialogue, wildly orchestrated action set-pieces. I've got them covered, and then some. Every James Bond novel and film has made me feel awed. Filled with wonder and joy and exhilaration. I am putting all of my heart and muscle into this story to make sure my readers experience the same.



James Bond character sketches by Rapha Lobosco

When it comes to writing James Bond, what's your creative process? How do you get yourself in the mindset for an espionage thriller?

This is corny, I know, but I play the theme music to get myself in the mood. It always straightens my posture, narrows my eyes, tightens my skin into gooseflesh, as my mind floods with the hundreds of hours I've spent with Bond (paging hurriedly through a novel or leaning forward in a darkened theater).

But I'm a writer who never stops working. I'm open for business 24/7. So Bond is always on my mind, and if I'm on a walk in the woods or at the grocery store or on a plane, I'm likely scribbling down an idea for a cool gizmo or an action sequence or a dialogue exchange.

But beyond that, I'm always asking myself a single question: how can I thrill my reader? On every single page, I'm knobbing up the volume, raising the stakes, heightening the spectacle, because no way am I going to piss away this opportunity to write one of my favorite franchises.

What would you say to convince a potential first-time reader to pick up James Bond #1?

I write *Green Arrow* and *Teen Titans* at DC Comics, and as part of their "Rebirth" initiative, I've tipped my hat to legacy while making each series my own. I'm taking the very same approach to James Bond. I know and respect 007's history — but I'm excited to put my own unique mark on the future of the franchise. Part of that involves channeling cultural anxieties, and you'll see — in this opening arc — a story that is born out of this age of digital insecurity. The artwork is incredibly cinematic, and feels like a close cousin to Eduardo Risso. You're going to finish this first issue with a heightened pulse and a big smile on your face. Of this I'm certain.

"Ben Percy is an immense talent, one of the great thriller writers of this decade, and I can't wait to see him write the future assignments of 007," says current *James Bond* writer and comics legend, **Warren Ellis.**

CHARMED #1 INTERVIEW w/ ERICA SCHULTZ

You're the first writer to take up the pen on the brand-new Charmed comic series. What are your thoughts on contributing to the show canon and setting the tone for the Dynamite Charmed comics to come?

I'm thrilled to be a part of the *Charmed* canon and to contribute to its stories. I was a big fan of the show. I hope to bring a lot of the same action, emotion, and humor that made the television series so great.

What aspects of the individual Halliwell sisters do you find most fascinating to explore in your writing?

Piper took on a huge burden after Prue died, and it weighs heavily on her. Sure, she'll brush it off, but she really hurts inside. Phoebe really grew up and started taking ownership of her life, but she still holds a lot of guilt for her party girl past. Paige… well, Paige is still growing up, and has a lot to learn. But that gives us room to explore her as a character.

For your story, you've chosen paintings as the conduit for evil. What's the appeal of using this creative media as a plot point for Paige, Phoebe, and Piper?

Paintings are entertainment like movies or books. You can lose yourself in them. That'll be a hint to what's to come.

What would you want a hardcore Charmed fan to know about your story, and what do you think will attract the attention of curious newcomers?

Charmed always had a lot going on in each story arc. I hope avid fans recognize familiar aspects of the show while newcomers allow themselves to be immersed in the fantastical world of the Halliwell sisters.

THE BIG LIE is a Nancy Drew and Hardy Boys mystery unlike any other you've ever read...

When the teenage brothers Frank and Joe Hardy are accused of the murder of their father – a detective in the small resort town of Bayport – they must team up with the femme fatale Nancy Drew to prove their innocence (and find the real guilty party in the process) in a twisting, hard-boiled tale, complete with double-crosses, deceit and dames.

Inspired by new crime classics like Ed Brubaker's Fatale and Darwyn Cooke's Parker series, writer Anthony Del Col (Assassin's Creed, Kill Shakespeare) and artist Werther Dell'Edera (Batman: Detective Comics, House of Mystery) bring the iconic teen detectives into the modern age, and redefine noir for a new generation of readers!

INTERVIEW w/ ANTHONY DEL COL

The Hardy Boys are accused of killing their father? And Nancy Drew is a femme fatale instructing them on how to clear their names? What inspired this unique take?

Like many readers, I was blown away by the *Afterlife with Archie* series, and how they were able to tell new stories of well-known characters by placing them in a completely new scenario (a zombie genre). So my mind immediately went to *Nancy Drew* and *The Hardy Boys*, books that, like *Archie*, I read quite a bit when young. And I had a vision of these "goody-goody" characters suddenly suspected of murder, and wanted to tell that story in a hardboiled noir style.

You're not only the writer of the project (which is an undertaking in and of itself, of course), but you were also instrumental in making this project come together at the outset. Why don't you give us some detail on your participation?

Normally a publishing company finds a property, licenses it, and then hires the creative team to tell that story. In this case, I had the idea of putting Ms. Drew and the Hardy brothers in a hardboiled noir adventure, went out, started working with the licensing agent and Simon & Shuster, and then discovered Dynamite was the right home for the project. As a result, I think the series is going to feel a lot more creator-driven, which I think is a good thing for readers and fans.

What appeals to you so much about these classic characters, and the dynamic between them?

I really liked the idea of taking these "wholesome" characters and throwing them into a completely different environment. They're now criminal suspects, and in order to clear their names they realize they need to "go bad". How do they react? Will the two brothers' stay close? Is Nancy really in control? And would a love triangle emerge?

Okay, think about what's out there in the comic book marketplace, or in the general pop culture landscape. Now, fill in the blanks and then give us your thoughts on why! "If you're a fan of __________, you'll love Nancy Drew & The Hardy Boys: The Big Lie."

The initial inspiration was *Afterlife with Archie*, but then others emerged: Darwyn Cooke's *Parker* series, Darwyn and Ed Brubaker's *Catwoman* redo (I'm fortunate to have Matt Idelson, the editor of that series, working on this one!), and Ed Brubaker's noir stuff from Image (*Fatale*, *The Fadeout*). All comics telling great hardboiled stories. In addition, classic film noirs like *The Big Sleep*, *The Maltese Falcon*, *Double Indemnity*, and the Rian Johnson film *Brick*.

SMOSH, the Kings of YouTube Comedy, now bring their wildly popular humor sketches -- namely, Super Virgin Squad, Box Man, and That Damn Neighbor -- to comics!

Behold, the Super Virgin Squad! Gathered together in the V-Cave, this group of unique individuals channel their sexual frustration into superhuman abilities to defend the physically weak, the socially awkward... the geekiest among us! Billy, Paulie, and Stevie's latest mission? To save one of their moms from the presumably slimy seductions of a website swinger!

Beware of That Damn Neighbor! Benny Jean and Cletus just want to drink beer and admire their lawn flamingo, but the weirdo next door will not be ignored!

Witness a tale of friendship, fame, and freak accidents as Box Man's origin springs to life, in crazy detail! Thrill as Box Man and friends try to make sense of his weird twist of fate, attempting to make him the first-ever cardboard hero and, when that fails, settling on celebrity spokesperson. But can a move made in desperation ever go wrong?

REDLINE #1

Recommended by Trevor Richardson

Turns out there was life on Mars after all. Earth just didn't find out until after we set up our first colony. In the peacetime following a long conflict between the colonists and the natives, a bombing takes out a city block and the Martians are quickly blamed for the attack. Denton Coyle, the delightfully crass protagonist, finds a clue that might clear the aliens but would put the blame on his own people. Who would want to start the war up again? Who is that woman Coyle was reminded of at the crime scene? And is that gut feeling his intuition or just the hangover coming back to bite him?

Redline, written by producer and art director of Archer, Neal Holman, is dark science fiction comedy at its finest. But don't go in expecting "Archer on Mars" – which would be amazing – Redline is grounded in reality, but there are traces of Archer's irreverent wit at the edges of the story, particularly where we see coworkers in the field giving each other a hard time. But there are other influences here too, perhaps it's just the red sand or the military uniforms, but when reading this first issue it's hard not to think about Douglas Quaid racing across the Martian desert or Johnny Rico squashing Bugs on Klendathu.

In other words, Holman's Redline takes the best parts of his Archer experience and gives us a twisted, hilarious addition to the annals of cult sci-fi in the spirit of *Total Recall* and *Starship Troopers*.

Secret Teachings of a Comic Book Master
The Art of Alfredo Alcala

THE ART OF ALFREDO ALCALA: SECRET TEACHINGS OF COMIC BOOK MASTER

(W) Heidi MacDonald & Various
(A/CA) Alfredo Alcala

In the late 1960s, an extremely talented group of Filipino illustrators took the American comic book industry by storm — and Alfredo Alcala led the way, working for both Marvel and DC on such popular characters as Conan the Barbarian and Batman. This unique work is loaded with amazing art and pointers on observational methods, composition, and other techniques. In addition to insightful interviews with Alcala, the book features pages from his groundbreaking masterwork, *Voltar*, which was hailed as a new concept in comic book form, an epic in narrative art, and a milestone in sequential art illustration. Students, professionals, teachers, and fans will treasure this inspiring volume and its insider's look at comic book artistry. (STK683610)

STICKS ANGELICA, FOLK HERO HC

(W/A/CA) Michael DeForge

Sticks Angelica is, in her own words, "49 years old. Former: Olympian, poet, scholar, sculptor, minister, activist, Governor General, entrepreneur, line cook, headmistress, Mountie, columnist, libertarian, cellist." After a high-profile family scandal, Sticks escapes to the woods to live in what would be relative isolation were it not for the many animals that surround and inevitably annoy her. Deforge's witty dialogue and deadpan narration create a bizarre yet eerily familiar tale of how we build our own sense of self and how others carry on the roles we create for them in our own personal dramas. ANT COLONY HC

(W/A/CA) Michael DeForge

In the few short years since he began his pamphlet-sized comic book series *Lose*, Michael DeForge has announced himself as an important new voice in alternative comics. *Ant Colony* follows the denizens of a black ant colony under attack from the nearby red ants. On the surface, it's the story of this war, the destruction of a civilization, and the ants' all-too-familiar desire to rebuild. Underneath, though, *Ant Colony* plumbs the deepest human concerns — loneliness, faith, love, apathy, and more. All of this is done with humor and sensitivity, exposing a world where spiders can wreak unimaginable amounts of havoc with a single gnash of their jaws. (STK627922)

Big Kids follows a troubled teenage boy through the transformative years of high school, as he redefines his friends, his interests, and his life path. When the boy's uncle, a police officer, gets kicked out of the family's basement apartment and transferred to the countryside, April moves in. She's a college student: mysterious and cool, she quickly takes a shine to the boy. Eerie and perfectly paced, Michael DeForge's *Big Kids* muses on the complicated, and often contradictory, feelings people struggle with in adolescence, the choices we make to fit in, and the ways we survive times of change. FIRST YEAR HEALTHY HC

(W/A/CA) Michael DeForge

First Year Healthy purports to be the story of a young woman, recently released from the hospital after an outburst, and her burgeoning relationship with an odd, perhaps criminal Turkish immigrant. In a scant 48 pages, working with a vibrant, otherworldly palette of magentas, yellows, and grays, Michael DeForge brings to life a world whose shifting realities are as treacherous as the thin ice its narrator walks on. *First Year Healthy* is all it appears to be and more: a parable about mental illness, a folk tale about magical cats, and a bizarre, compelling story about relationships. THE RIFT #1

Recommended by Jay Spence

It's not the first time Kansas has been the nexus of strange activity in comics but, this January, a new bizarre and "alien" phenomena is crash landing in "the wheat state" from Red 5 Comics. This time, however, the significant part isn't where it came from but, when.

The Rift refers to the fracture in space-time that unexpectedly opens up and allows a WWII American fighter pilot to coincidently fly through and crash land in present-day Kansas. When a mother and son witness the crash, they help Lieutenant Cole, escape his fiery wreck and he's understandably confused to find himself 75 years in the future. For Cole, it's been only seconds since he last battled the Japanese fighter planes but, for the rest of us, his recent battle in World War II is now only a distant memory. While the mother, son, and Cole all struggle to comprehend the odd "time travel" event, a shadowy scientific organization has tracked the rift event and they are swiftly closing in on Cole. According to the scientists tracking Cole, the rift poses a far greater threat to our world than just a man "lost" in time.

I love a good time travel story so I'm always ready to try a book like this, but it's the quality of the story that keeps a series going and writers Richard Rayner and Don Handfield are crafting an engaging story that leaves readers eager to find out what's next.

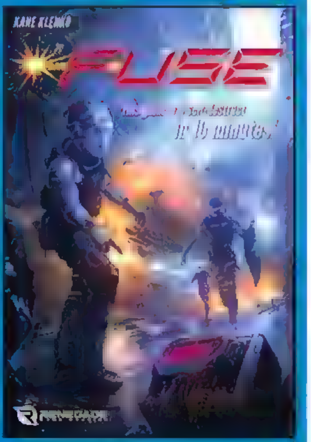
FUSE DICE GAME

Recommended by Matthew Demory



KANE KLENKO
FUSE
RENEGADE

Fuse is a cooperative dice game and a race against the clock. Here players are cast into the role of an Elite Bomb Defusal Team. Their starship has just been attacked by intruders and it looks like they were on the losing end of the battle. The enemy, having a flair for the dramatic, opted against outright destroying their ship in the cold vacuum of space and decided to plant 20 bombs inside their battered vessel instead!

With just 10 minutes to go before the devices detonate players need to work together to match multicolor and numbered dice in specific patterns to defuse all of the bombs and to save their lives. To kick the pressure up another notch publisher Renegade Games created a free app that counts down until detonation.

Be sure to pick up *Fuse Dice Game* and its new expansion *Flatline: A Fuse Aftershock* from Renegade Games!

SECURITY ALERT! The hull has been breached! Intruders have made their way onto your ship! Their goal: Total Destruction!
More than 20 bombs have been detected onboard, and the countdown has begun. Your elite Bomb Defusal Team (BDT) has been called upon to neutralize the threat.
Does your group have what it takes to work through the intricacies of the bombs and defuse them in time?
You'd better get moving, because this game will self-destruct in 10 minutes...

TO LAUGH THAT WE MAY NOT WEEP

Edited by Glenn Bray and Frank Young; Essays by Art Spiegelman and others
$49.99 / HC / 320 pgs / BW with 48 pages color / 10.5 x 12

A sweeping and timely career retrospective of one of the most incendiary political cartoonists in the first half of the 20th century. *To Laugh That We May Not Weep* reprints over 800 of Art Young's timeless and devastating cartoons and illustrations, many reproduced from original artwork, to create a fresh portrait of this towering figure of cartooning and politics. With essays by Art Spiegelman, Justin Green and others along with a biographical overview of Young's life, *To Laugh That We May Not Weep* is a long awaited tribute to one of the great lost cartoonists whose work is as relevant, and necessary, in the 21st century as it was in its own time.

ANIMAL CRACKERS: CIRCUS MAYHEM HC

(W) Scott Christian Sava
(A/CA) Mike Holmes

The wacky, high-action graphic novel companion to *Animal Crackers*, Scott Christian Sava's highly anticipated animated feature film. Buffalo Bob's Rootin' Tootin' Animal Circus is famous for its jump-roping giraffe, tangoing lion, and knife-throwing elephant. But they have to be fakes, right? Owen is determined to get to the bottom of this mystery. When he visits the circus he discovers that his uncle and, coincidentally, all of the animals, are missing. It can only be the work of Buffalo Bob's sideshow rival: Contorto. Owen stumbles upon the one thing that can save the day: Buffalo Bob's box of animal crackers. But these aren't any ordinary cookies: one bite and you're transformed into a circus animal! But it will take more than a few carnival tricks to defeat Contorto and his pack of goons in this prequel to Scott Sava's graphic novel *Animal Crackers*. (STL034902) (C: 1-1-0)

Dangerous stunts, flying acrobats, and even the clowns Uncle Doug hated so much — Owen is itching to see all of it. But when his little sister Zoe, a self-proclaimed animal whisperer, accuses the ringmaster of mistreating the circus animals, the last thing Owen has time to do is to watch the show! With the help of some magical animal crackers that can transform him into a bear, a hippo, or even a hamster, Owen sets out to rescue his kidnapped uncle and sister from the hands of the scheming ringmaster and his circus lackeys. CALIFORNIA DREAMIN': CASS ELLIOT BEFORE THE MAMAS & THE PAPAS HC

(W/A/CA) Pénélope Bagieu

It's Mama Cass as you've never known her, in this touching biography of the 1960s New York folk scene from French comics sensation Pénélope Bagieu (*Exquisite Corpse*). Before she became the legendary Mama Cass — one quarter of the mega-huge folk group The Mamas and the Papas — Cass Eliot was a girl from Baltimore trying to make it in the big city. After losing parts to stars like Barbra Streisand on the Broadway circuit, Cass found her place in the music world with an unlikely group of cohorts, releasing five albums with The Mamas and the Papas in their three years of existence. Through it all, Cass struggled to keep sight of her dreams — and her very identity. (STL034907) (C: 1-1-0) **NOTE:** Not available in the U.K. (May Purchase from U.K. Vendor)

Stately Academy is no ordinary school: it was once home to an elite institute where teachers, students, and robots worked together to unravel the mysteries of coding. Hopper, Eni, and Josh won't rest until they've learned the whole story, but they aren't the only ones interested in the school's past. Principal Dean is hot on their trail, demanding that the coders turn over their most powerful robot. Dean may be a creep, but he's nothing compared to the guy who's really in charge: a green-skinned coding genius named Professor One-Zero. Available in Softcover and Hardcover editions. STAR SCOUTS VOLUME 1 GN

(W/A/CA) Mike Lawrence

Avani is the new kid in town, and she's not happy about it. Everyone in school thinks she's weird, especially the girls in her Flower Scouts troop. Is it so weird to think scouting should be about fun and adventure, not about makeovers and boys, boys, boys? But everything changes when Avani is "accidentally" abducted by a spunky alien named Mabel. Mabel is a scout too — a Star Scout. Collecting alien specimens (like Avani) goes with the territory, along with teleportation and jetpack racing. Avani might be weird, but in the Star Scouts she fits right in. If she can just survive Camp Andromeda, and keep her dad from discovering that she's left planet Earth, she's in for the adventure of a lifetime. Close your eyes and imagine that the movies *Team America World Police* and *Footloose* had a hilarious, high-action, low-brow comic-baby. Now open your eyes and pre-order *AMERIKARATE #1* from Action Lab! This series is for anyone who loves *South Park*, *GrizzlyShark*, *Rick & Morty*, or AMERICA.

Hold onto your Uncles, because our main-man Sam is the most patriotic two-fisted kick-puncher to ever karate-chop an all-American cinderblock. It's too bad that his kickass made-in-the-USA, bad-boy-drifter lifestyle brought him and his brother into the one town crazy enough to ban KARATE! The townsfolk have been terrorized by ninjas, and it's hard to open your heart to a martial art when you've been burned (to the ground) so badly before. But if there's one man who's ready to open these people's minds with a roundhouse kick, it's Sam.

Sam is going to teach us all to fight for our right to fight so that we can fight right tonight. Amerikarate.

IN BETWEEN DAYS: A MEMOIR ABOUT LIVING WITH CANCER SC

(W/A/CA) Teva Harrison

Teva Harrison was diagnosed with metastatic breast cancer at the age of 37. In this brilliant and inspiring graphic memoir, she documents through comic illustration and short personal essays what it means to live with the disease. She confronts with heartbreaking honesty the crises of identity that cancer brings: a lifelong vegetarian, Teva agrees to use experimental drugs that have been tested on animals. She struggles to reconcile her long-term goals with an uncertain future, balancing the innate sadness of cancer with everyday acts of hope and wonder. Ultimately, *In-Between Days* is redemptive and uplifting, reminding each one of us of how beautiful life is, and what a gift. (STL034917) (C: 0-1-0)

ICHI-F: A WORKER'S GRAPHIC MEMOIR OF THE FUKUSHIMA NUCLEAR PLANT HC

(W/A/CA) Kazuto Tatsuta

The strongest earthquake in Japanese history hit the Tohoku region on March 11, 2011, and the resulting tsunami killed over 15,000 people. But, for residents of Fukushima Prefecture, the nightmare was just beginning. The world watched as the Fukushima Dai-ichi (Fukushima #1, or 1-F) nuclear plant, its safety equipment drowned by the tsunami, experienced a slow and catastrophic meltdown. Over the following years, the cleanup effort would be fraught with controversy, setbacks, and, most of all, danger for the workers who had to step inside the stricken plant, still bathed in radiation. One of those workers tells his story in *Ichi-F*. A singular insider's look at an event that destroyed a region and changed how the world sees nuclear power. This matter-of-fact depiction of the daily life of a nuclear cleanup worker is unique among disaster memoirs. 1-F began as an amateur submission to the Manga Open contest. (STL035403) (C: 0-1-0)

SWEET LULLABY GN
(W) Alex Scherkenbach (A/CA) J. Briscoe Allison
Lullaby is a strong-willed, second-generation covert assassin, viewing the world through a black and white lens. Typically, she adopts a new look and identity for each mission before moving in next door to a potential target, and presenting herself as a friendly (or troubled or sexy or mysterious) neighbor. But, upon receiving orders to "terminate," Lullaby does so with clever — and sadistic — precision. Now, Lullaby is mired in a "gray area"; she must choose whether to remain a government-sanctioned killer or walk away for love. That is, of course, assuming the choice will be hers to make. Specially priced set reuniting two perennially popular books with art by the amazing duo under the *Kerascoet* name. In "Beauty," when Coddie unintentionally delivers a fairy from a spell that held her prisoner, she does not realize how poisoned the wish is she gets in return. From repulsive and stinking of fish she becomes perceived as magnetically beautiful, which does not help her in her village. In "Miss Don't Touch Me," the "Butcher of the Dances" is on the prowl for young loose women. Blanche works as a maid along with the only family she knows, her sister, fun-loving Agatha. Suddenly, Blanche loses her to what she saw was murder but others only write off as suicide. (STL035791) (C: 0-0-1)

BLACK SHIPS: ILLUSTRATED JAPANESE HISTORY: THE AMERICANS ARRIVE

(W) Sean Michael Wilson
(A/CA) Akiko Shimojima

Comic book writer Sean Michael Wilson and manga artist Akiko Shimojima team up in a graphic novel that tells the compelling story of the four American "Black Ships" that arrived in Japan in 1853 under the command of Commodore Perry to force Japan to open up to trade. The dramatic narration and striking images capture the fearsome scenes of military power, the dark might of the Black Ships, and the anxious response of the Japanese Shogunate, which struggled to reach an agreement under the threat of violence and unwelcome change. Historically accurate and with an easy-to-read format, *The Black Ships* brings to life the characters and events of this pivotal moment in Japanese history. (STL035394) (C: 0-1-0)

X-O MANOWAR #1

Recommended by Trevor Richardson

2017 marks the 25th-anniversary of X-O Manowar, and Valiant commemorates this milestone with a relaunch of the series. *X-O Manowar #1* begins with Aric on an alien world, separated from his armor and reluctantly pulled into a war waging on his new home world. Returning to his barbaric roots, Aric must fight hand to hand without the armor and rise through the ranks as a warrior.

With ambitious storytelling from Matt Kindt, fans of X-O will get to watch their hero's path from lowly soldier to the ruler of this strange new world and beyond. Every stage of the story has already been planned for the entire year with each three-issue arc of Aric's journey drawn by a favorite Valiant artist simultaneously. The first run will feature art by Tomas Giorello with more to come from Douglas Braithwaite, Clayton Crain, Mico Suayan, and more.

This new series represents Valiant's biggest launch to date and is a great jumping on point for new fans while offering epic new conflicts for long-time fans. War is coming for X-O Manowar and it will set the tone for the Valiant Universe for years to come.

32 Pages, $3.99, RELEASE DATE: **03/08/17, MATURE (17+)**

MARS. The near future-ish. A bomb takes out a city block on Harrison Station. The media rush to blame the local terrestrials (re:aliens), however Superintendent Denton Coyle has a feeling that it may not be so simple... or maybe that feeling is Coyle's hangover gut bomb. It's unclear... like a 50/50 shot, it's a mistake or explosive diarrhea. Maybe it's both? In other words, it's yet another Tuesday on Mars.

This tale erupts with a literal bang, and follows the efforts of one grizzled investigator on Mars trying to uncover the truth behind an alien terrorist plot... even though everyone else would prefer it just remain hidden.

BAD MACHINERY, VOLUME 7: THE CASE OF THE FORKED ROAD

JOHN ALLISON (W/A/C/CA)

128 Pages, $14.99, RELEASE DATE: **05/17/17, AGES 10+**

Time is a fickle creature, especially when there's a wormhole in the science cupboard. When a strange boy who seems far too entranced by cell phones appears, it's up to Lottie, Shauna, and Mildred to figure out his strange purposes.

The Case of the Forked Road, the seventh book in John Allison's (*Giant Days*) award-winning *Bad Machinery* series, finds our young sleuths facing the intricacies of time and space itself. What is their science teacher hiding? Who is the mysterious Calvin, why is he dressed like it's 1960, and why is he obsessed with Communists? And another thing: just what is going on with Jack, Sonny, and Linton?

"My favorite things in the world are friendship and mystery, and John Allison produces—apparently effortlessly—my favorite versions of my favorite things. John's art is impossibly charming and his writing is laugh-out-loud hilarious."

RYAN NORTH (*THE UNBEATABLE SQUIRREL GIRL, JUGHEAD*)

"When people ask me what my favorite comic is, I don't even let them finish the sentence before I'm attempting to push some form of *Bad Machinery* into their life. For me, this comic will always be the one to beat, I don't see many contenders."

THE SMURFS AND FRIENDS VOLUME 2 HC

(W/A/CA) Peyo

The Smurfs' eternal arch foe, the evil wizard Gargamel, is the center of attention in several Smurf-stories: "Gargamel and the Crocodile," features Gargamel's attempts to raise a pet crocodile, much to Azrael's chagrin; Gourmelin, "Gargamel's Twin Brother" also stops by for a visit; a very hungry fellow returns and demands Gargamel to feed him in "The Ogre and the Smurfs;" then there's "Gargamel's Nephews" who look like three pint-size Gargamels, who stir up some trouble when they visit their uncle! And if all that wasn't enough, there are dozens of gag-filled *Smurfs* comic strips, another adventure of Johan, in which the gallant court page must battle "The Master of Roucybeuf," and an action-packed *Benny Breakiron* epic where the tiny, super-powered French boy encounters "Madame Adolphine," a seeming harmless little old lady, who apparently is behind a major criminal caper! Now the stage is set for a talent contest where the students must perform in front of their celebrity judges. Thea Sisters Nicky, Paulina, Violet, Pamela, and Colette prepare their own song, but when they hear their shy friend Dina display her hidden talent for signing and song writing they know the overall concert will be a success. But as Dina takes the stage for her debut the lights turn off and a fire works display explodes outside. When the lights return to the auditorium, Dina's piano is gone! The show must go on and it is up to the Thea Sisters to crack the case! (STL035801) (C: 0-0-1)

The Prelude tale to the ongoing series starting next month! Everyone excitedly awaits the birth of the next guardian, but when a dangerous demon rapidly approaches it is up to Tane to defend the town while his wife deals with a difficult delivery. Unbeknownst to him, the events that take place in the small delivery room will affect the village for generations to come. *Little Guardians* tells the story of two young people switched at birth and now unknowingly living each other's lives. Idem trains as the next guardian and struggles to control his spirit powers. This was Subira's birthright, but tradition dictates the guardian line must be passed down from father to son. Over time she must discover the truth behind her connection to the spirit world and in the process save her village from an evil cult. (STL035429)

ART MASTERS VOLUME 5: GAUGUIN: THE OTHER WORLD GN
(W/A/CA) Fabrizio Dori
In 1891, Paul Gauguin (1848–1903) arrives on the French Polynesian island of Tahiti. In this lush paradise, he is liberated from the concerns of the city-dwelling European. He is free: to love, to sing, and to create. In Copenhagen, Gauguin's wife enjoys no such freedom. She would rather forget her odious husband and his degenerate artwork. Instead, in a city resistant to the avant-garde, she is tasked with selling a collection of his extravagantly priced Tahitian paintings. *Gauguin: The Other World* is a revelatory biography of an artist whose qualities as a man won him few admirers in his own lifetime, but whose talents as a painter would have an enormous influence on the art of Picasso, Matisse, and many more. PAOLO BACILIERI
FUN

FUN: SPIES, PUZZLE SOLVERS, AND A CENTURY OF CROSSWORDS GN
(W/A/CA) Paolo Bacilieri
In December 1913, the *New York World* newspaper published the first crossword in history. It appeared in their Sunday supplement, "Fun." A century later, this absorbing puzzle continues to attract (and infuriate) millions of devotees every day. Paolo Bacilieri's *Fun* transports us from turn-of-the-century New York to present-day Milan, taking in stories of ingenious puzzle makers, ardent solvers, and intellectual luminaries. Part detective story, part docudrama, and interlaced with a fiction of Bacilieri's own imagining, *Fun* questions the crossword's "harmless" status. Sure, it's fun — but could it also be a form of resistance, of cryptic communication, of espionage? (STL033297) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

AMERIKARATE #1

Recommended by Sarah Martinez

Close your eyes and imagine that the movies Team America World Police and Footloose had a hilarious, high-action, low-brow comic-baby. Now open your eyes and pre-order *AMERIKARATE #1* from Action Lab! This series is for anyone who loves *South Park*, *GrizzlyShark*, *Rick & Morty*, or *AMERICA*.

Hold onto your uncles, because our main-man Sam is the most patriotic two-fisted kick-puncher to ever karate-chop an all-American cinderblock. It's too bad that his kickass, made-in-the-USA, bad-boy-drifter lifestyle brought him and his brother into the one town crazy enough to ban KARATE! The townsfolk have been terrorized by ninjas, and it's hard to open your heart to a martial art when you've been burned (to the ground) so badly before. Yet if there's one man who's ready to open these people's minds with a roundhouse kick: It's Sam!

Sam's going to teach us all to fight for our right to fight so that we can fight right tonight. Amerikarate.

DEVILS AND REALIST VOLUME 12 GN

(W) Madoka Takadono
(A/CA) Utako Yukihiro

William Twining has it all-a sharp intelligence, dashing good looks, and a noble station in life. But William's logical worldview is about to take a hit when he comes across a mystical seal which he unintentionally uses to summon a demon. The demon's name is Dantalion, a Grand Duke of Hell, who informs the young nobleman of his destiny-that he is the new "Elector" whose sole responsibility is to appoint the next ruler of Hell in place of Lucifer. Such news might drive a lesser man mad, but not William Twining. He's a realist whose views don't allow for the existence of demons, even when scores of demonic candidates begin to knock down his door and seek his favor. (STL033173) (C: 0-1-0)

FEATURED ITEM

ANNO DRACULA #1 (OF 5)

Writer **Kim Newman** Artist **Paul McCaffrey**
Colorist **Kevin Enhart**
FC • 32pp • **$3.99** On Sale **March 22, 2017**

1895. Prince Dracula has ruled Great Britain for ten years, spreading vampirism through every level of society. On the eve of Dracula's Jubilee, radical forces gather to oppose the tyrant. Kate Reed, vampire journalist and free-thinker, takes a seat on the revolutionary Council of Seven Days, though she learns that the anarchist group harbors a traitor in its midst. The Grey Men, Dracula's dreaded secret police, have been ordered to quash all resistance to the rule of the arch-vampire. With intrigue on all sides, the scene is set for an explosive addition to the *Anno Dracula* series.

AN ALL-NEW COMIC SERIES BASED ON THE BEST SELLING *ANNO DRACULA* NOVELS BY KIM NEWMAN!

COMIC SERIES WRITTEN BY CREATOR KIM NEWMAN WITH ART BY PAUL MCCAFFREY (*THE THIRD DOCTOR*).

THE *ANNO DRACULA* NOVELS DEPICT AN ALTERNATE 19TH-CENTURY HISTORY WHERE THE CHARACTERS OF *BRAM STOKER'S DRACULA* FAIL TO PREVENT COUNT DRACULA'S SUBJUGATION OF GREAT BRITAIN, CREATING A WORLD WHERE VAMPIRES ARE A CENTRAL PART OF SOCIETY.

SUPERMANSION #1 (OF 4)

Writer **Barry Hutchison**
Artist **Jake Elphick**
FC • 32pp • **$3.99**
On Sale **March 8, 2017**

After a battle with the evil Psy-Clone and his army of identical clones, the League is exhausted. Unfortunately, crime never rests, and they are immediately called to another emergency. Rather than rush off, though, they realise they can use Psy-Clone's cloning machine to make duplicates of themselves and send them into battle instead. The clones turn evil and start running riot, and when Black Saturn reveals he has spent years developing ways in which to kill the rest of the League in case they ever go rogue, a horrified Rex kicks him off the team. The League is jailed, and it's only when Black Saturn proves his loyalty by breaking in to free them that they find a way to defeat the evil clones once and for all!

THE FAR SIDE OF THE MOON: THE STORY OF APOLLO 11'S THIRD MAN HC
(W) Alex Irvine (A/CA) Ben Bishop
When the Earth disappears behind the moon, astronaut Michael Collins loses contact with his fellow astronauts on the moon's surface, with mission control at NASA, and with the entire human race, becoming more alone than any human being has ever been before. In total isolation for 21 hours, Collins awaits word that Neil Armstrong and Buzz Aldrin have managed to launch their moon lander successfully to return to the orbiter — a feat never accomplished before and rendered more problematic by the fuel burn of their difficult landing. In this singularly lonely and dramatic setting, Collins reviews the politics, science, and engineering that propelled the Apollo 11 mission across 239,000 miles of space to the moon. OCTAVIA BUTLER'S KINDRED GN

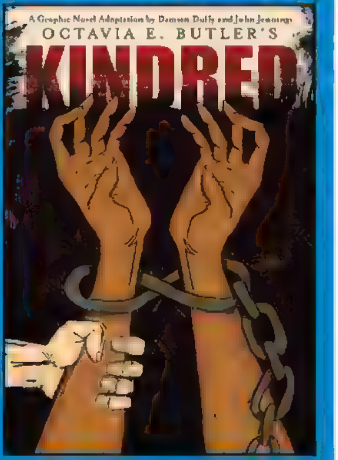
Recommended by Sarah Martinez



A Graphic Novel Adaptation by Damian Duffy and John Jennings
OCTAVIA E. BUTLER'S
KINDRED

Any science fiction aficionado will recognize Octavia Butler's name. She pioneered new "norms" in speculative fiction with her minority and female protagonists. Her concepts were groundbreaking and her writer's voice unparalleled both for complex world-building and individual characterization. Countless awards and a lifetime's work later, you and I, gentle readers, are about to see her work made available in a whole new format. After nearly four decades since its first prose publication, Kindred, Butler's award-winning cross-generational science fiction odyssey, debuts this month as a graphic novel adaptation. Comic fans, we are so lucky!

Dana, an African-American woman of the modern era, repeatedly time-travels against her will to the plantation owned by her great-great-grandfather. Via these mysterious teleportations, Dana repeatedly rescues her white great-grandfather Rufus over the span of his life, always appearing when he needs her most. When he is a child, saving him is easy and gratifying, even if her method of travel is sudden and terrifying. As her ancestor ages, his troubles become more complex and his attitudes and assumptions are often hateful or degrading. Dana continues to save Rufus, knowing that until her own grandmother is conceived and born, she must keep her great-grandfather alive or she will cease to exist.

Butler's narrative casts a broad light on the evils of slavery to be sure, but more importantly, it brings out subtle shadows in the entirely human cast of characters both white and black. Further, and perhaps even more vividly, are the contrasts between historical and modern perspectives. Where these points of view meet and influence one another, the results yield understanding, healing, and hope.

Sci-fi super-star humanizes history with temporal travel, tackling tough topics with a tender touch!

OCEAN OF SECRETS

After being shipwrecked, Lia, an orphan girl joins the cold-hearted Captain Albert on a mission to escape powerful knights from the land of Lyronaz. She finds a magic power beyond her wildest dreams and discovers how the murder of Lyronaz's queen is related to Captain Albert. Join Lia as she uncovers the secrets behind the queen's murder and discovers family in a world she never knew existed.

ABOUT THE AUTHOR

Sophie-chan was born in 1990 in Iraq and became infatuated with shojo manga at the tender age of 7. Determined to fulfill her dream of creating her own manga, she taught herself to draw even as she studied to become an engineer. In 2008 she started a YouTube channel to show off her drawings and amassed an audience of 350k subscribers, with fans of her original creations all around the world! Now living in Canada with her family, Sophie-chan proves that with hard work, patience and sheer determination you can realize your dreams and she continues to inspire others with her incredible story.

DUAL SET: BELLE'S TALE & THE BEAST'S TALE

Story by Mallory Reaves; Art by Studio Dice (Japan)

A man cursed to live as a beast and a kind-hearted young woman cross paths in the most unlikely way in this classic tale. As a prisoner in the Beast's castle, Belle befriends the enchanted staff and slowly melts the icy heart of her captor. Can she save him from the curse's terrible fate, and can she convince the villagers that even a Beast can change?

One volume will explore the story from Belle's perspective, while the other will explore it from The Beast's.

HERO-A-GO-GO!: CAMPY COMIC BOOKS, CRIMEFIGHTERS, AND CULTURE OF THE SWINGING SIXTIES SC

Welcome to the Camp Age, when spies liked their wars cold and their women warm, good guys beat bad guys with a pun and a punch, and Batman shook a mean cape. *Hero-A-Go-Go* celebrates the camp craze of the Swinging Sixties, when just about everyone — the teens of Riverdale, an ant and a squirrel, even the President of the United States — was a super-hero or a secret agent. Michael Eury takes you through that coolest cultural phenomenon with this lively collection of nostalgic essays, histories, and theme song lyrics of classic 1960s characters like Captain Action, Herbie the Fat Fury, Captain Nice, Atom Ant, Scooter, ACG's Nemesis, Dell's super-Frankenstein and Dracula, the "split!" Captain Marvel, and others! (STL031673) (C: 0-0-2)

MATT BAKER: THE ART OF GLAMOUR HC

(W) Jim Amash (A) Matt Baker

In the early 1940s, Matt Baker became of one the earliest African-American comic book artists. But it wasn't the color of his skin which made him such a significant figure in the history of the medium. Imagine Dave Stevens or Adam Hughes working in the '40s, drawing a new story every month, and you'll have a good idea of Matt Baker's place in the industry throughout his career. Yet few of today's comic book fans know of the artist or his work, because he died in 1959 at the young age of 38, just as the Silver Age of Comics was bringing in a new generation of readers. WAR IS COMING!

Born under the oppressive thumb of the Roman Empire, Aric of Dacia learned warfare at an early age. It was amid such violence that he was abducted by an alien race. Forced into slavery, he survived where others perished. His escape would come from bonding with a weapon of immeasurable power: the X-O Manowar armor. With it, he returned to Earth...only to find himself stranded in the modern day.

But that was a lifetime ago.

Now, far from home on a strange and primitive new world, Aric has begun a new life. Liberated from his past, he tends to his crops. Free from war. Free from violence. Free from the armor.

But the machinery of death marches his way once again. Conscripted into an alien army and thrown into an unforgiving conflict, the fury inside him finds voice as he is forced to embrace the armor once more. With it, he will decimate armies, topple empires and incite interplanetary warfare as he rises from SOLDIER to GENERAL to EMPEROR to VISIGOTH. They wanted a weapon. He will give them war!

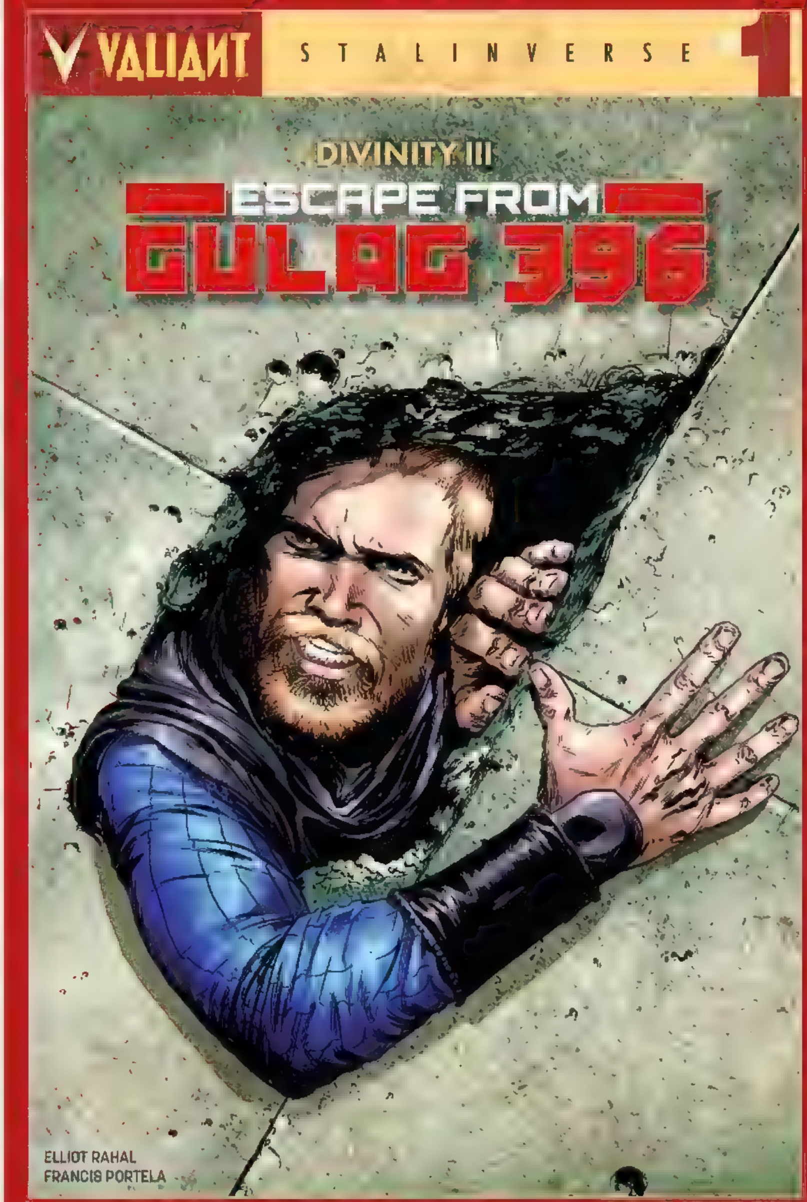
AND ACCLAIMED ARTIST

FRANCIS PORTELA

(*FAITH*)



In the Stalinverse, you don't serve time... Time serves you!

When the new world order of the global Soviet Union designates you a subversive person, you'll find yourself banished to Gulag 396 to join the other rebels, dissidents, and undesirables that once sought to undermine Communism. As newly sentenced religious zealot Obadiah Archer is about to find out, this is one prison where there is no hope of escape, except through death itself – unless your new cellmate happens to be a millennia-old immortal with centuries of pent-up know-how and one hell of a grudge. Now, with a secret team of super-powered inmates to aid them, Archer and Armstrong aren't just fighting back... They're breaking out and hoping to pull the most high-risk escape attempt Russia has ever witnessed!

FAITH: HOLLYWOOD & VINE DELUXE EDITION HC

Fly like Faith!

Faith Herbert has always wanted to be a superhero, just like the ones in her favorite comic books. When she unlocked her latent psiot powers and joined the Harbinger Renegades she finally had her shot. But now she's going to see if she's got what it takes to make it as a solo hero, secret identity and all. By day, she's a mild-mannered pop-culture blogger, by night she's L.A.'s leading superhero - the sky-soaring Zephyr! And when other young psiots start going missing without a trace all over the City of Angels, it's going to be up to her to find out why...

Breakout writer Jody Houser and acclaimed artists Francis Portela and Marguerite Sauvage launch a new beginning for Faith in the deluxe hardcover edition of the volume nominated for the CYBILS Awards, and named one of the year's most promising comics by Amazon, the Young Adult Library Association, and Vox!

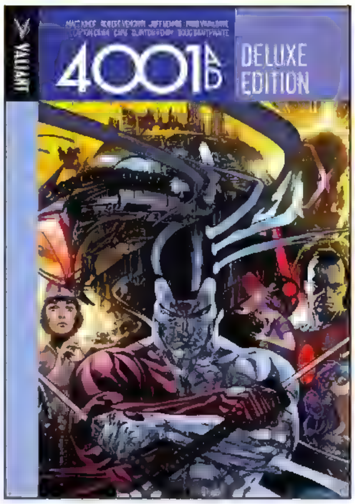
4001 A.D. DELUXE EDITION HC



At the dawn of the 41st century, the future of Earth will be decided in the stars...

New York Times best-selling writers Matt Kindt (*Mind MGMT*), Robert Venditti (X-O MANOWAR), Jeff Lemire (*Descender*), and Fred Van Lente (IVAR, TIMEWALKER) and powerhouse artists Clayton Crain (RAI), CAFU (*Action Comics*), Clayton Henry (HARBINGER WARS), and Doug Braithwaite (ARMOR HUNTERS) join a cast of comics' finest for Valiant's most ambitious crossover event yet – now in deluxe oversized hardcover format!

A thousand years from today, Father will create the first Rai, founding a lineage of technologically enhanced heroes engineered to defend New Japan and sworn to protect it from all enemies. For hundreds of years into the future, the Rai will single-handedly enforce New Japan's justice well...and serve Father without question.

Now, at the dawn of 4001 A.D., the latest Rai is about to inherit the dark truth behind the origin of his kind...and discover the sinister secret at the heart of Father's existence. For New Japan to live, Earth must die...and as Rai challenges his former master for the first time in more than a millennium, the lone guardian of New Japan will be cast out of his own Father's kingdom...

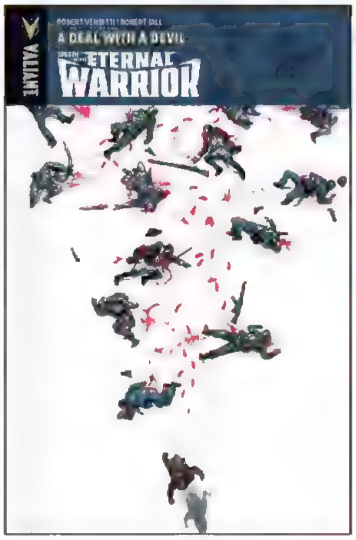
WRATH OF THE ETERNAL WARRIOR VOL. 3: A DEAL WITH A DEVIL TPB



Out of the abyss...and into oblivion!

Gilad Anni-Padda, the Eternal Warrior, has sacrificed his humanity for the betterment of the Earth. Empowered with the gift to recover from any wound – and even death itself – he has waged an endless crusade to guide the path of civilization through the ages. But as the centuries pass and his list of battlefield victories grows, he is fated to always reap the same sad reward: to see his families, his children, and all his loved ones...age, wither, and die...

Now, the Eternal Warrior will be presented with a choice that could end his grief forever. An opportunity to resurrect the fallen sons and daughters that he believed forever lost. But this chance for peace and happiness will come at a terrible cost... and in service to an evil far greater than any Gilad has faced before...

New York Times best-selling writer Robert Venditti (*Hal Jordan & The Green Lantern Corps*) and acclaimed artist Robert Gill (BOOK OF DEATH) push the Eternal Warrior to the fiery crossroads of guilt and redemption for a wicked series finale!

MASTER EDITION
TSUTOMU NIHEI

BLAME VOLUME 3 GN
(W/A/CA) Tsutomu Nihei
In a dystopian future, a complex network of machines has pushed humanity to the brink. Robots known as the "Builders" continued to build a meaningless civilization with no one to reside in it. Soon these cities reach out to the outer planets and another breed of life form emerges. (STL033247) (C: 0-1-0)
SC, 354pgs, PC $34.95

NICHIJOU VOLUME 7 GN
(W/A/CA) Keiichi Arawi
A witty surreal all-ages manga which revolves around the day-to-day lives of the young inhabitants of Tokisadame-city. Set in a strange school where you may see the principal wrestle a deer or a robot's arm hide a rollcake the days that transpire through the course of *Nichijou* are curious and hilarious, if not downright bizzare. However admist all the chaos and comedy Arawi still takes time to share everyday slice of life stories giving readers an insight to modern Japanese youth culture. Funny and heartwarming, Nichijou is a humorous look at modern day Japanese life in comic form. (STL033249) (C: 1-1-0) **NOTE:** Not available in Australia and the U.K.

THE LEGEND OF
ZELDA
Twilight princess
1
Story and Art by
Akira Himekawa
VIZ

Once upon a time, wizards tried to conquer the Sacred Realm of Hyrule. The Spirits of Light sealed the wizards' power within the Shadow Crystal and banished them to the Twilight Realm beyond the Mirror of Twilight. Now, an evil menace is trying to find Midna, Princess of the Twilight Realm, and the fragments of the Shadow Crystal to gain the power to rule over both the Twilight Realm and the World of Light.

WHAT IS THIS?

This latest installment of *The Legend of Zelda* manga series is action-packed and, just like the *Twilight Princess* video game, dark in tone.

ORBITAL CLOUD (Novel)

by Taiyo Fujii

In the year 2020, Kazumi Kimura, proprietor of shooting star forecast website Meteor News, notices some orbiting space debris moving suspiciously. Rumors spread online that the debris is actually an orbital weapon targeting the International Space Station. Halfway across the world, at NORAD, Staff Sergeant Darryl Freeman begins his investigation of the debris. At the same time, billionaire entrepreneur Ronnie Smark and his journalist daughter prepare to check into an orbital hotel as part of a stunt promoting private space tourism. Then Kazumi receives highly sensitive information from a source claiming to be an Iranian scientist. And so begins an unprecedented international battle against space-based terror that will soon involve the Japan Aerospace Exploration Agency, NORAD, and the CIA.

WILL EISNER'S A CONTRACT WITH GOD AND OTHER TENEMENT STORIES HC

(W/A/CA) Will Eisner

A gorgeous, collectible hardcover edition of Will Eisner's pioneering graphic novel to celebrate the author's 100th birthday. Published quietly in 1978, Will Eisner's revolutionary literary work *A Contract With God* marked the invention of the modern graphic novel. Through a quartet of four interwoven stories, *A Contract With God* expresses the joy, exuberance, tragedy, and drama of life on the mythical Dropsie Avenue in the Bronx. This edition uses all-new, high-resolution reproductions of Eisner's original artwork, bringing new clarity and immediacy to Eisner's writing, illustration, and composition. Crafted with the highest fidelity to Eisner's artistic vision, the volume offers a beautiful, collectible way to experience the legendary book that launched a new art form and established Eisner as one of the great pioneers of American graphics. WILL EISNER'S COMICS & SEQUENTIAL ART SC (NEW PRINTING)

Will Eisner is one of the twentieth century's great American artists, a man who pioneered the field of comic arts. Adapted from Eisner's landmark course at New York's School of Visual Arts, *Comics and Sequential Art* is an essential text filled with invaluable theories and easy-to-use techniques. Eisner reveals here the fundamentals of graphic storytelling. He addresses dialogue, anatomy, framing, and many other important aspects of the art form. Fully updated and revised to reflect current practices and technology, including a section on digital media, this introduction to the art of comics is as valuable a guide as it was when first published. WILL EISNER'S GRAPHIC STORYTELLING SC (REVISED EDITION)

(W/A/CA) Will Eisner

Based on Will Eisner's legendary course at New York's School of Visual Arts, this guide teaches how to control a story effectively using a broad array of techniques. *Graphic Storytelling* discusses the principles of storytelling with the sophisticated combination of text and imagery. While comics are the main focus, *Graphic Storytelling* also recognizes the influence of film and electronic dissemination. (STK369900)

WILL EISNER'S EXPRESSIVE ANATOMY FOR COMICS SC (NEW PRINTING)

From his earliest comics to his pioneering graphic novels, Will Eisner understood that the proper use of anatomy is crucial to effective storytelling. This posthumous masterwork, the third and final book in the Will Eisner Instructional Series, finally reveals the secrets of Eisner's own techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling. One fateful day, the One True God Tet collapsed from hunger in the back alleys of Elche, only to be saved by Izuna. Tet recounts a story from 6,000 years ago, about the "Great War" that divided the heavens and tore the earth asunder. About the man who challenged the world and the girl who stayed by his side. SPACE RIDERS: GALAXY OF BRUTALITY #1

Recommended by Jonathan McKinney

The bad-boy older sibling of the Guardians of the Galaxy is set to make a big return next year with *Space Riders: Galaxy of Brutality*. The new sequel sees Captain Peligro reassemble his ragtag crew of misfits to take on an unknown entity that is gaining power throughout the cosmos.

Space Riders is just as funny as it is extreme. It is a comic that presents a clear thesis on what it is, as a result of the master storytellers behind the project. From psychedelic art and colors by Alexis Ziritt that you won't find in any other comic on the shelves, to unique lettering from the master Ryan Ferrier, the sequel to Black Mask's breakout hit is on my list of the best comics to look forward to in 2017. Fabian Rangel Jr. has it all together with butt-kicking plot and dialogue. There's so much to enjoy within their stories that you are certain to leave satisfied.

If you're looking for retro comic art that makes you analyze each page in great detail, combined with the bonus of a cosmos spanning adventure, make sure that *Space Riders: Galaxy of Brutality #1* is added to your pull list.

In the mid-21st century more than 98% of the world's population was wiped out by a devastating virus. Half of those who lived through the horror were completely immune, while the other half of the survivors mutated into something disturbingly subhuman called "Primals." Decades later, human survivors have set up small, highly guarded cities independent of one another across parts of the former United States. These are where the rich and powerful survive. However, the vast "wasteland" between these "strongholds" is an extremely dangerous and unforgiving place where gangs roam and terrifying Primals hunt in packs. Couriers are key to the survival of the rich and powerful and are paid handsomely to deliver valuables between cities. Eve Harper is the best at what she does, but when she takes a job to deliver goods to a dangerous gang leader, Eve is forced to use every trick she's ever learned in order to survive the riskiest run of her life.

THE PRINCESS AND THE FROG

In a small town in South Carolina, something evil stalks the night taking a reptilian form. The legend of the Lizard Man is well known to the locals and these tales bring Skye to town to solve the mystery. But the truth she finds behind the legend may be more than her powers as the new Guardian can overcome. Grimm Fairy Tales presents a brand new take of the classic fairy tale the Princess and the Frog.

Foreword by Steven Heller

HEADLIGHTS HONEYS: THE "PERFECT PAIR" IN VINTAGE PAPERBACKS, PULPS, AND COMICS HC
(W) Monte Beauchamp, Steven Heller
Once celebrated by skilled painters and sculptors throughout the history of art, with the advent of the Industrial Age and assembly line production, scores of "mams" merchandisers soon got in on the act. From "boob" aprons, t-shirts, sweat-shirts, and baseball caps to salt and pepper shakers, mugs, coffee cups, and shot glasses, from greeting cards, books, and periodicals to candied treats, from jewelry to novelty gag gifts, billions of dollars are generated annually by the objectification of breasts. There was a time, however, when their low-budget portrayal in comic books, paperbacks, and pulps came under fervid assault, and effectively squelched, by the media censors. *Headlight Honeys* assembles dozens of rare, salacious cover examples and delivers the scoop on this harrowing, pre-code era in American publishing. THE CAPED CRUSADE: BATMAN AND THE RISE OF NERD CULTURE SC

(W) Glen Weldon

Since his creation, Batman has been many things: a two-fisted detective; a planet-hopping gadabout; a campy Pop-art sensation; a pointy-eared master spy; and a grim and gritty ninja of the urban night. How we perceive Batman's character, whether he's delivering dire threats in a raspy Christian Bale growl or trading blithely homoerotic double-entendres with partner Robin on the comics page, speaks to who we are and how we wish to be seen by the world. It's this endlessly mutable quality that has made him so enduring. And it's Batman's fundamental nerdiness — his gadgets, his obsession, his oath, even his lack of superpowers — that uniquely resonates with his fans who feel a fiercely protective love for the character. TASCHEN: 75 YEARS OF DC COMICS SLIPCASED HC

(W) Paul Levitz (A) DC Comics

In 1935, DC Comics founder Major Malcolm Wheeler-Nicholson published *New Fun* #1, the first comic book with all-new, all-original comic material. What began as disposable media for children was soon on its way to becoming the mythology of our time, the 20th century's answer to Atlas or Zorro. More than 40,000 comic books later and in honor of the publisher's 75th anniversary, TASCHEN has produced the single most comprehensive book on DC Comics. More than 2,000 images — covers and interiors, original illustrations, photographs, film stills, and collectibles — are reproduced using the latest technology to bring the story lines, the characters, and their creators to vibrant life as they've never been seen before. The 2010 original XL edition of *75 Years of DC Comics* was winner of the 2011 Eisner Comic Industry Award for Best Comics-Related Book of the Year! But as even Superman might have trouble lifting the XL, here is the chance to enjoy the title in a smaller format. And if it is still too heavy for you, the slipcase converts into a book stand, so you can delight in your favorite comic stories and characters book on display. (STL035821) (C: 0-1-0)

Barbara Gordon grew up idolizing Batman, the masked vigilante who protected her home of Gotham City. As she got older, she realized that one person wasn't enough to protect all the people of Gotham from the city's widespread crime — and she was ready to step up and help. But how did Barbara become Batgirl? How does she use technology to fight crime? What super-villains has she encountered? In this illustrated biography full of character profiles and fast facts, you'll learn everything you should know about the girl behind the mask. Part of the *Backstories* series, DC Comics fans will learn all about this resourceful young woman! (STL035334) (C: 0-1-0)

ART RECORD COVERS HC

(W) Julius Wiedemann

Since the dawn of modernism, visual and music production have had a particularly intimate relationship. In this unique anthology of artists' record covers, we discover the rhythm of this particular cultural history. The book presents over 600 album and record covers given the artistic treatment from the 1950s through to today. Ordered by artist, the covers reveal how modern, postmodern, Pop Art, street art, and conceptual practice have all informed this collateral field of visual production and supported the mass distribution of music with defining imagery that swiftly and suggestively evokes an aural encounter. (W) Lester Dent & Various (CA) Joe Devito

Aviator Tom Franklin vanished in 1927, another casualty of the pioneering attempts to cross the world's great oceans by airplane. The grieving public never expected to see him alive again. So when the missing man flew out of the emptiness of the Indian Ocean, still alive and accompanied by a strange woman speaking in an even stranger tongue, a mystery worthy of Doc Savage is born. For they had escaped from a lost island harboring a secret all humanity lusted after... and would kill for! DOC SAVAGE: THE WILD ADVENTURES #2: WHITE EYES SC
(W) Lester Dent & Various (CA) Joe Devito
All over the city, men were struck down, rendered blind and dead by an undetectable force, their sightless eyes as featureless as alabaster statues. This was the mark of the unknown supercriminal who called himself White Eyes! Who was he? Why did he strike terror into the hearts of New York City's frightened millions? Only Doc Savage and his fighting band held the key to unmasking the secret motives of this fearsome new crime lord. But how can they defeat a phantom foe who could strike at will without fear of retribution? WARREN THE 13TH & THE WHISPERING WOODS HC (YA NOVEL)
(W) Tania Del Rio (A/CA) Will Staehle
This sequel reunites Warren, Petula, and the entire hotel staff for an all-new adventure! Warren is now Manager of "The World's Only Traveling Hotel," and the hotel walks a regular circuit around their native land of Fauntleroy. But soon after this story opens, an unexpected detour brings the hotel into the forbidden Malwoods — a dark, dangerous forest teeming with witches and strange creatures! Simply entering the Malwoods would be scary enough... but soon Warren finds himself ejected from the hotel and stranded in the Malwoods! To recapture the hotel, Warren will have to race through the forest, make some new allies, and solve a host of puzzles, all while back at the hotel, his friends begin to wonder why Warren (a sinister doppelganger disguised as him!) is acting so strangely... GRAPHITTI DESIGNS FLASHBACK

Though the SPIRIT & ROCKETEER were our first shirt releases as Graphitti Designs, our entry into comics was facilitated by the release of the 1981 Comic-Con shirt featuring **SHEENA** by Dave Stevens. We approached San Diego and asked if we could produce event shirts for their 1981 convention and ended-up with a career that has spanned 35 years. Who could have imagined?

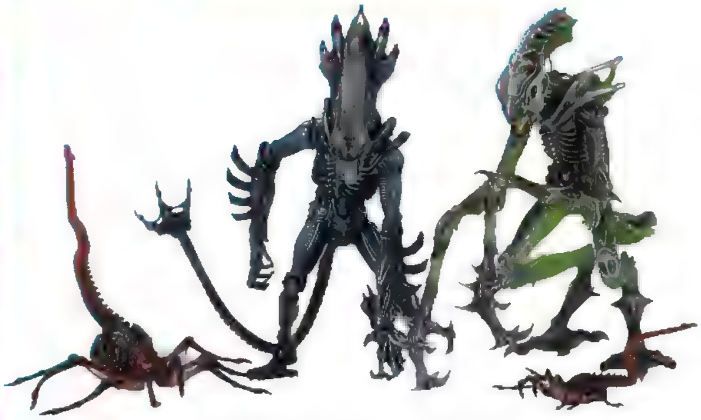
ALIEN



ALIENS 7-INCH-SCALE SERIES 10 ACTION FIGURES

To celebrate the 10th series in NECA's bestselling *Aliens* line, they are dedicating the full series to the classic Kenner Expanded Universe Aliens of the early 1990s! Series 10 includes the powerful *Gorilla Alien*, the *Queen Facehugger*, and *Mantis Alien*, which is cast in translucent green just like the original. Taking inspiration from those designs, NECA's team has transformed these Kenner classics into modern versions with all of today's detail and articulation. Each comes with a reprint of the classic Dark Horse mini-comic that was included with the originals! These highly detailed figures stand over 9" tall and are fully poseable. (STL029094) **Item has been previously solicited in *PREVIEWS Plus.*** (6338/51618) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

MIGHTY MORPHIN POWER RANGERS: MORPHIN MEGAZORD IMAGINEXT FIGURE

Unleash the fire power of the Imaginext Morphin Megazord on *Power Rangers* villains like the Putty Patrol! Turn the Power Pad on Megazord's left shoulder for an awesome transformation: his chest opens, his eyes light up and his chest "morphs" into a cannon. Under attack? Push a button on the cannon to fire Power Missiles. Turn a Power Pad in Megazord's chest to launch Power Coins. Turn a Power Pad above his left knee to reveal a projectile launcher, and push the button to fire more Power Missiles! Turn the Power Pad above his right knee to morph Megazord's foot into a chomping sabretooth! The adventure continues on back, with a jail cell, a place to meet with Zordon, an elevator, and lots of levels and platforms for figures to stand on. Kids can even place a figure in Megazord's head! WALKING DEAD

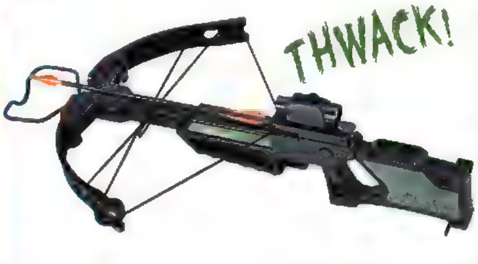
O/A THE WALKING DEAD: MERLE'S KNIFE HAND ROLE-PLAY WEAPON

When you're handcuffed and left on a roof to die during the apocalypse, you gotta make the most of it. And Merle Dixon certainly does that. After the hacksaw amputation and self-imposed cauterization, he manages to fashion himself a prosthetic that ensures he'll never face another walker unarmed. Disarmed? Without a weapon. Pick up his signature accessory with this officially licensed prop replica of Merle's knife hand from AMC's *The Walking Dead*. Reproduced in ABS plastic, it comes with adjustable faux leather straps and a reproduction Mauser bayonet that slides for sticking into and pulling out of zombie skulls. Reach in, grab the handle, and you're ready to take you on some walkers. This replica measures 22 1/2" long with bayonet fully extended (21" fully retracted) with a 13" inner diameter for your forearm, and weighs just under 1 lb. Some assembly required. For ages 14 and up. (STL014809) **Available Now!** (1740/81D62) (C: 1-1-0)
Replica $24.99



O/A THE WALKING DEAD: DARYL'S CROSSBOW ROLE PLAY WEAPON

Wield Daryl's signature weapon without the risk of accidentally shooting yourself in the foot with this officially licensed prop replica of Daryl's crossbow from AMC's *The Walking Dead*. Reproduced in ABS plastic, it comes with the look of the original, only the arrow on this one clearly has an orange tip. When you pull the trigger, a whirring sound plays and the bow vibrates with force feedback. And since the arrow stays firmly seated the whole time, you don't have to worry about fetching your ammo like Daryl does. This replica includes 1" connectors for you to attach your own strap, measures 26 1/2" long including stirrup and 17" wide cam to cam, and requires 3 AA (1.5V) batteries (not included). Some assembly required. For ages 14 and up. (STL014811) **Available Now!** (1740/81D61) (C: 1-1-0)

O/A MARVEL: IRON MAN MK 45 ARTFX STATUE

From Kotobukiya. Robert Downey Jr.'s Tony Stark has been very busy in the last few Marvel Studios films, cranking out dozens of different armor designs for any eventuality. And after fierce battles and the removal of J.A.R.V.I.S. (now reconfigured into the Vision) from his systems, Iron Man debuted the Mark 45 for the final fight against the evil robot Ultron in Sokovia. The "45" has a familiar shape with segmented armor panels, outer plating revealing technological details underneath, reinforced sections on the torso, shoulders, and thighs, and repulsor units for flight stabilization and energy blasts. Sculpted by M.I.C., Iron Man Mark 45 stands 12" tall (1/6th scale) on a special Avengers logo display base. (STK691422) **Available Now!** (6600/MK192) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

Her long hair has been reproduced using flexible materials and ratcheted jointing, while the three-part construction of her cape enables elegant movement and posing. Attention went not only into reproducing her striking silhouette, but also into the details of her uniform, such as the seaming, rivets, and belt. The careful paint application emphasizes the realistic textures on this figure. With gadgets unique to her character and a variety of interchangeable hand parts, there is more to this Batgirl than just her breathtaking finish. Includes display stand. Window box packaging. KINGDOM HEARTS

KINGDOM HEARTS II: SORA STATIC ARTS GALLERY STATUETTE

From Square Enix. Square Enix is pleased to present this six-inch figure of Kingdom Hearts protagonist, Sora! Carefully overseeing both the sculpt and paint work, the designers were very particular about how best to breathe the life into a figure constrained to the smaller six-inch scale. Each material and texture was painstakingly considered during the molding process. To emphasize those subtle details, artists added a rich layer of patina and delicate detailing to make every inch of the figurine's surface pop. They also differentiated the paint texture itself, varying application methods between cloth and metal, adding even more value to the overall look and feel of the figure. (STL034924) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in April 2017. (1089) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

COMIX: BEYOND THE COMIC BOOK PAGES DVD

COMIX: Beyond the Comic Book Pages is an exciting feature film documentary about the world of comic books told through the thoughts and images of the creators, artists, writers, collectors, store owners, independent publishers, and especially the passionate fans who have made it the phenomenon that it is today. *COMIX* includes exclusive one-on-one interviews with icons from the comic book industry, like Stan Lee (Spider-Man, X-Men, Fantastic Four), Frank Miller (*Sin City, 300*), Neal Adams (Batman, X-Men, Green Lantern/Green Arrow), Mark Waid (*Kingdom Come*, Superman, Justice League of America), Mike Richardson of Dark Horse Productions (*Hellboy, Sin City, The Goon*, and *Concrete*), Marc Silvestri of Image Comics and Top Cow Productions (*Tomb Raider, Hunter Killer, Witchblade*), and Todd McFarlane (Spawn). *COMIX* also includes interviews with fans, many dressed in full costume, as they talk about their love for the characters and cosplay, at conventions like Comic-Con, Wizard World, and more. The DVD will be a 2-disc set. One disc will include the film of 85 minutes. Disc 2 will include 4 hours of bonus footage including the Stan Lee and Frank Miller interviews in their entirety as well as many other sections that did not make the film. The DVD will also include an exclusive mini comic book co created by director Michael Valentine with Julian Aquino, and Paul Limgenco. SMASH UP
The Shufflebuilding Game of Total Awesomeness!
AEG

SMASH UP BOARD GAME

The "shufflebuilding" game *Smash Up* starts with a simple premise: Take the twenty-card decks of two factions, shuffle them into a forty-card deck, then compete to smash more Bases than your opponents! Each faction brings a different game mechanism into play — pirates move cards, zombies bring cards back from the discard pile, dinosaurs have huge power — and every combination of factions brings a different play experience. You attempt to have the most power on the Base from your minions when the Base is smashed. Sounds easy? How easy is it when an opponent's Alien-Ninja decides to Beam Up your minions to other Bases or when the Pirate-Dinosaur player Full Sails in and releases King Rex to stomp your minions into the ground? (STL036356) (C: 1-1-2)

SMASH UP: WHAT WERE WE THINKING? BOARD GAME EXP

Smash Up: What Were We Thinking? returns to the wild randomness of the early days of *Smash Up*. By combining this expansion with your *Smash Up* sets, will you take Zombie Rock Stars against Explorer Dinosaurs? What about Time Traveling Grannies versus Teddy Bear Vampires? It's all possible now! All your dreams can finally come true! (STL036357) (C: 1-1-2)

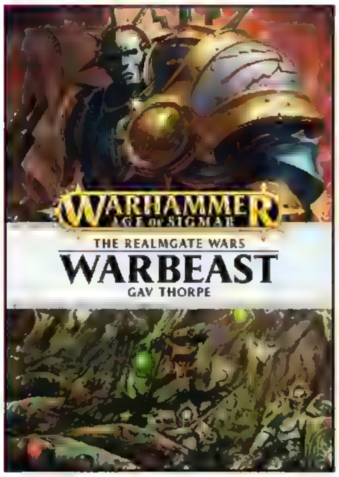
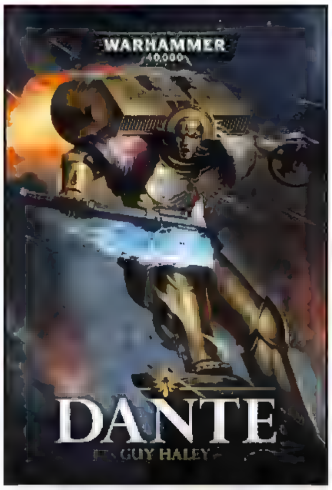
BLACK LIBRARY



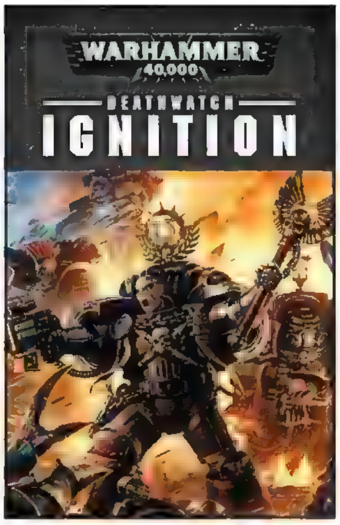
WARHAMMER: WARBEAST SC

(W) Gav Thorpe
The once noble tribes of Ursungorod in Ghur have almost entirely fallen to Chaos, and an infestation of Clans Pestilens skaven has amassed in the caverns beneath the snowy tundra. There, Poxmaster Felk is on the brink of opening a vital realmgate — but Sigmar intends to seize this portal for himself. Arkas Warbeast, Lord-Celestant of the Celestial Vindicators, was once a mortal ruler of these lands. Now, with the aid of the Knights Excelsior, he has returned to free his kingdom from the clutches of Chaos and claim the realmgate in his God-King's name. But first he must vanquish the ghosts of his past and overcome his own conflicted nature, in order to unleash the beast within! (STL035917) (C: 0-1-0)
SC, 5x8, 320pgs, B&W..............$16.00



WARHAMMER 40K: DANTE HC

(W) Guy Haley
Dante is Chapter Master of one of the noblest but most troubled Chapters of Space Marines in the Imperium: the Blood Angels. From the time of his birth in the rad-scarred wastes of Baal Secundus, he was destined for glory and strife. From his apotheosis to Scout, to the hive cities of Armageddon and the alien menace of the Cryptas system, Dante has waged war against all the enemies of the Imperium. He has witnessed the divine, and struggled against the darkness within all sons of Sanguinius. Longer lived than any other Chapter Master, this is his chronicle, his great and storied legend. (STL035959) (C: 0-1-0)
HC, 6.3x9.5, 320pgs, B&W $27.00

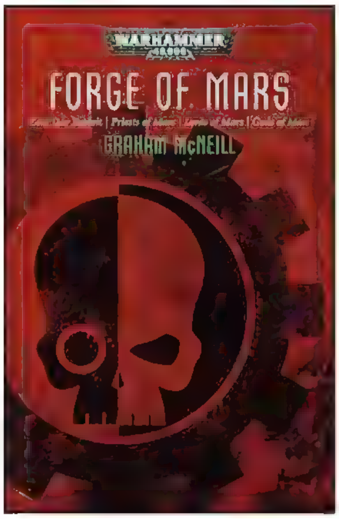


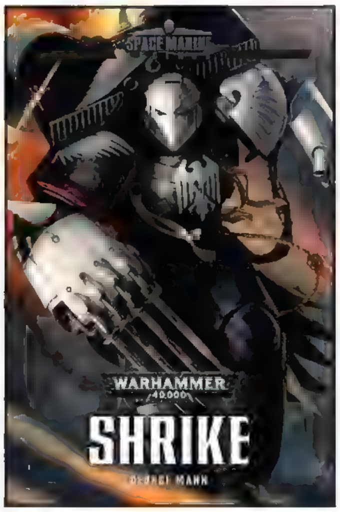
WARHAMMER 40K: DEATHWATCH IGNITION SC

(W) Various
The Deathwatch is the ultimate weapon against the myriad alien races that threaten the Imperium of Man. Drawn from many Chapters of the Adeptus Astartes, the elite members of a kill team come together to form a lethally efficient squad of warriors capable of cleansing entire worlds of xenos infestation and corruption. As Chaplain Ortan Cassius becomes entangled in the insidious Ghosar Enigma, he turns to the legends of the Deathwatch to find the most worthy of his brethren. The Space Marines that will go on to form Kill Team Cassius have faced diverse and deadly challenges at every turn; each has his own story, each harbors his own resentment of the foe, and each has his own method of ensuring its ultimate destruction! (STL035957) (C: 0-1-0)
SC, 5x8, 352pgs, B&W..............$16.00

WARHAMMER 40K: FORGES OF MARS OMNIBUS SC

(W) McNeill Graham
Omnibus edition of all three novels in the *Forges of Mars* trilogy — *Priests of Mars, Lords of Mars*, and *Gods of Mars* — as well as an additional short story. The Martian Mechancius's thirst for knowledge is insatiable, and when Archmagos Lexell Kotov learns of an ancient expedition that went in search of the very source of life in the universe itself, he immediately assembles a powerful Explorator fleet to follow in its footsteps. There are marvels and wonders at the edge of known space, discoveries beyond price, but there are those who believe the secrets of the universe should stay hidden and beings there who pose a danger not only to the fleet but to the Imperium itself. (STL035960) (C: 0-1-0)
SC, 5x8, 960pgs, B&W..............$21.00





WARHAMMER 40K: SHRIKE HC

(W) George Mann
Across many campaigns, Kayvaan Shrike of the Raven Guard pursues his nemesis, the ork warlord Gorkrusha. Vaunted warrior of the Raven Guard, Shrike has ascended the ranks of this most mysterious and deadly brotherhood all the way to Chapter Master. He is a legend amongst his battle-brothers, one that began humbly enough in the wilds of Kiavahr. Shrike has fought and bested many foes, but one in particular, the Ork Warlord Gorkrusha, dogged him throughout many campaigns. From veteran to Shadow Captain, Shrike clashed with his old nemesis time and again, determined to bring about a final reckoning and bloody vengeance to the greenskin. (STL035948) (C: 0-1-0)

(W) Ron Lundeen

With their colony of survivors safe for the moment, the heroes must scour the wilderness of the Fangwood for resources, and make contact with anyone who can help them strike back against the invading Ironfang Legion. But as they push into the wilds, all signs point to the legendary Chernasardo Rangers being wiped out or imprisoned by the merciless black dragon Ibzairiak! The heroes must face hostile fey and mythical beasts now claiming the ruined fortresses left in the dragon's wake in order to save what remains of these legendary freedom fighters and begin the foundation of their own army! RENEGADE

Fuse is a cooperative dice game and a race against the clock. Here players are cast into the role of an Elite Bomb Defusal Team. Their starship has just been attacked by intruders and it looks like they were on the losing end of the battle. The enemy, having a flair for the dramatic, opted against outright destroying their ship in the cold vacuum of space and decided to plant 20 bombs inside their battered vessel instead!

With just 10 minutes to go before the devices detonate players need to work together to match multicolor and numbered dice in specific patterns to defuse all of the bombs and to save their lives. To kick the pressure up another notch publisher Renegade Games created a free app that counts down until detonation.

X-O MANOWAR REDUX:
INTERVIEW WITH VALIANT PUBLISHER FRED PIERCE

Valiant Entertainment is set to relaunch the legend of Aric and the *X-O Manowar* armor on a whole new world, with a new cast of supporting characters and new threats. Valiant Publisher Fred Pierce, took time out of his busy schedule to give us a few details about where writer Matt Kindt and his art team will be taking the mighty Visigoth warrior and what impact this new series will have on the rest of the Valiant universe…

PREVIEWS: *When and where will the new series of X-O MANOWAR take place?*

Fred Pierce: When *X-O MANOWAR* #1 begins, several months will have passed in the Valiant Universe since we last saw Aric. We open up with Aric on an alien world, separated from the X-O Manowar armor, and keeping with a new cast of characters. Where Aric has been in these missing months — and how he wound up waging a war on a strange new planet — will be a central plot point to this series.

P: *What new challenges and threats await X-O Manowar in this series?*

FP: Right off the bat, we'll see Aric at odds with the X-O Manowar armor, which I've found to be a compelling new challenge for him to face. Of course, this conflict couldn't come at a worse time, as Aric is quickly conscripted into a war waging across his new home world. How he'll navigate through these unprecedented battlefields — with or without his armor — will really change his stature as a warrior and hero.

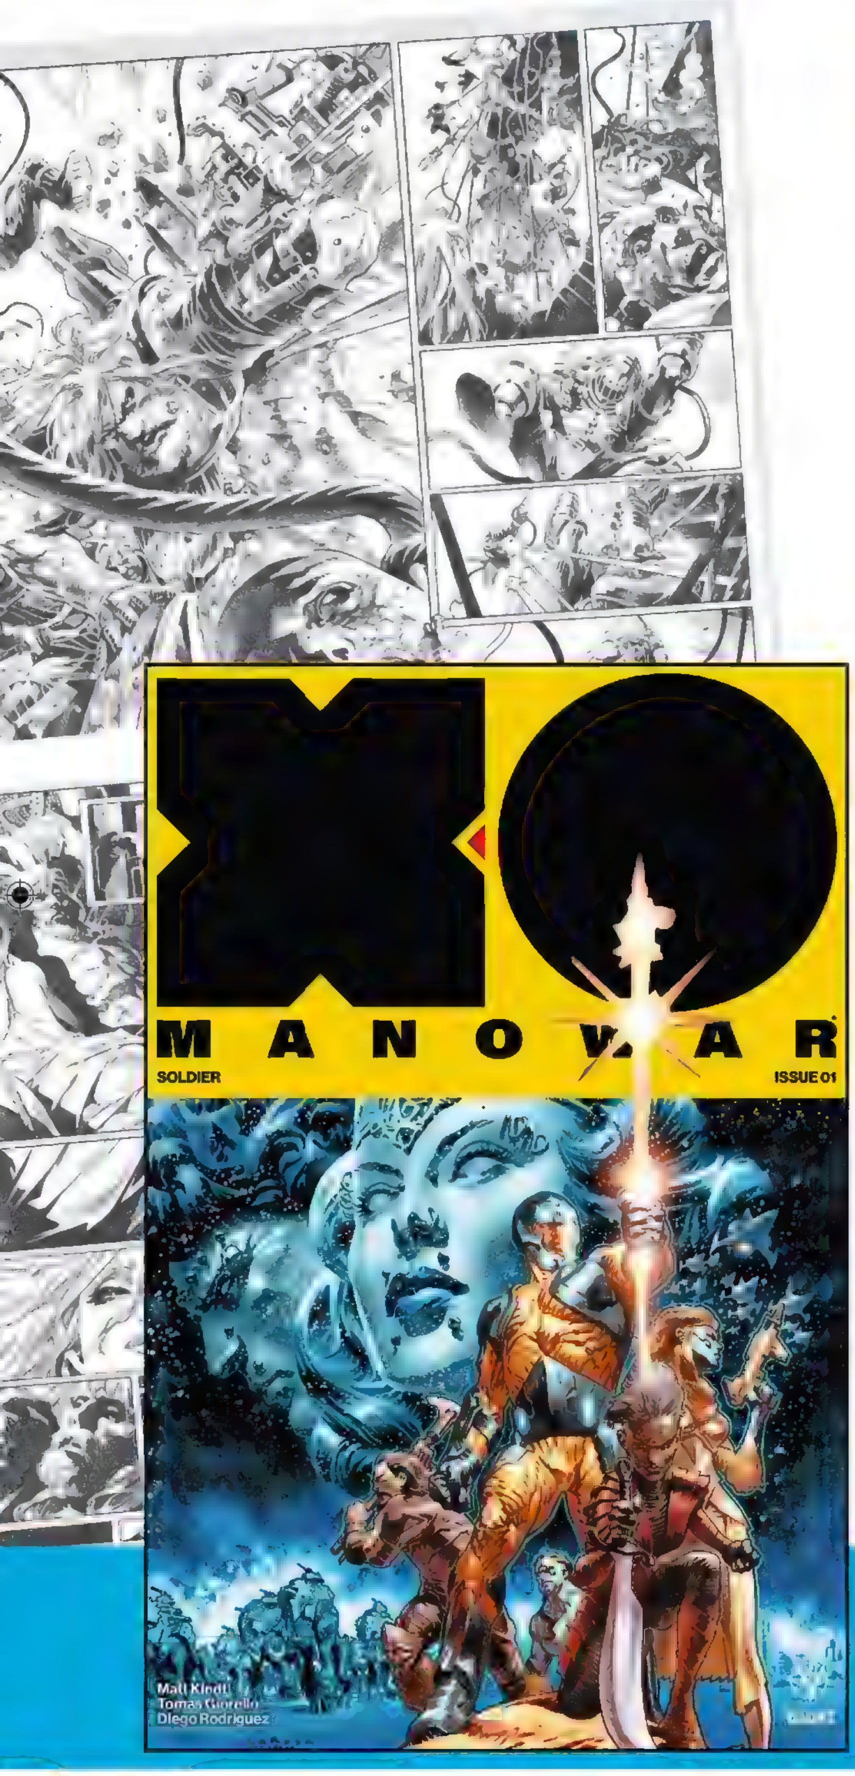
P: *Describe the tone and scope of this series. Just how big will X-O Manowar's story get?*

FP: It's going to be massive! This is the most epic, widescreen adventure that we've ever attempted in the Valiant Universe. There is no limit to Matt Kindt's scope, and what he has planned for this series will certainly redefine what people expect from a superhero story. Simply put: This is the ultimate *X-O Manowar* tale ever told.

VALIANT
E·T·E·R·N·A·L
WARRIOR

P: *How are you structuring this series? Will see long-form stories, shorter arcs, or a mix of both?*

FP: Matt already has his entire first year of *X-O Manowar* mapped out, and it's going to be divided into four three-issue arcs, plus a single issue interlude, charting Aric's path from SOLDIER to GENERAL to EMPORER to OUTLAW. Each arc will chart the next major step of X-O Manowar's development on this new planet, and will reveal new facets at the core of the character that we've never seen before.

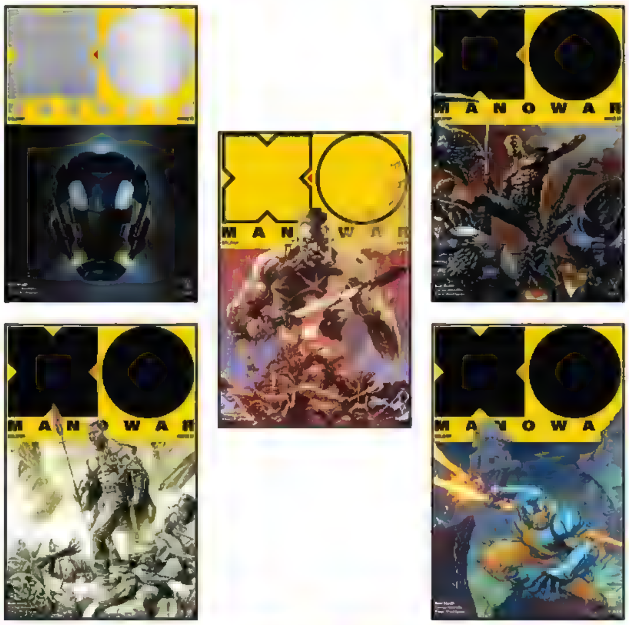


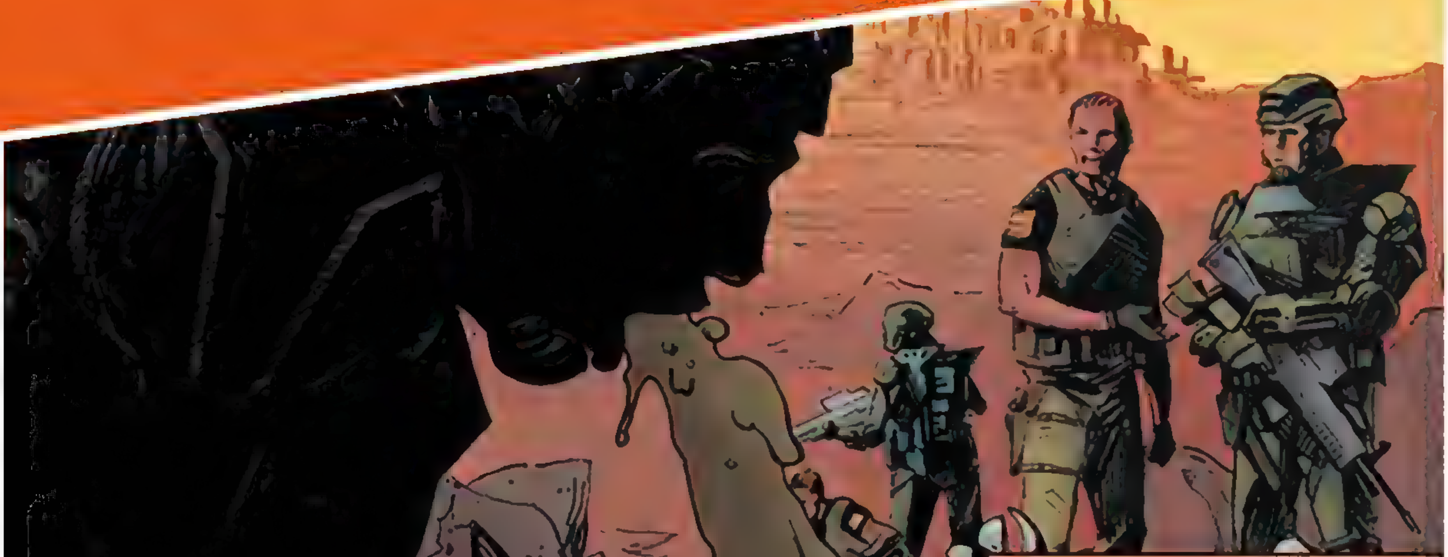
P: You'll be joined by a roster of exceptionally talented artist on this series. Who are they, and how are their different styles shaping the scope and direction of this series?

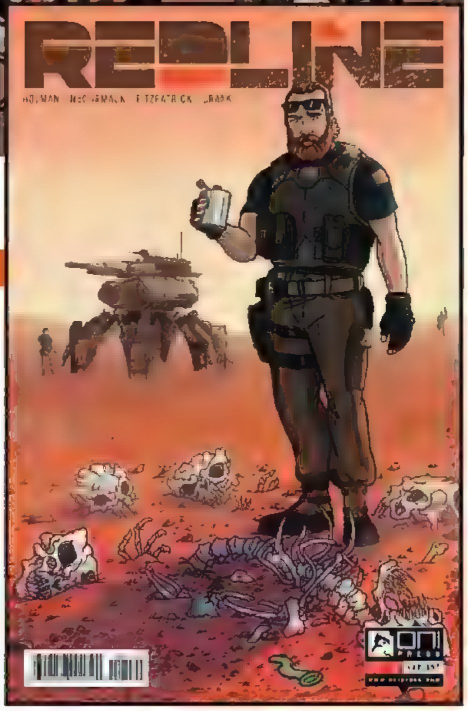
FP: We have a true "murderer's row" of talented artists lined up for this series, and I couldn't be more excited by what they'll bring. New Valiant exclusive superstar Tomas Giorello will kick the series off with the first arc, followed by three-issue runs from some of our best artistic talents, including Doug Braithwaite, Clayton Crain, and Mico Suayan, with a special single issue story drawn by the impeccable Ryan Bodenheim. Each of these artists are going to open a new frontier within Matt's already expansive story, and will really tap into the series' blockbuster scope.

P: How will you further X-O Manowar's status as one of Valiant's flagship heroes, and why can no Valiant fan afford to miss this series?

FP: 2017 marks *X-O Manowar's* 25th anniversary, and this is going to be our biggest series of the year, quite possibly of all time. *X-O Manowar* is going to set the spine for the entire Valiant Universe. If any Valiant fan — new or old — wants to see where our universe is heading for the next several years, they don't have to look any farther than *X-O MANOWAR*.







REDLINE #1

Recommended by Trevor

Turns out there was life on Mars after all; Earth just didn't find out until after we set up our first colony. In the peacetime following a long conflict between the colonists and the natives, a bombing takes out a city block and the Martians are quickly blamed for the attack. Denton Coyle, the delightfully crass protagonist, finds a clue that might clear the aliens but would put the blame on his own people. Who would want to start the war up again? Who is that woman Coyle was reminded of at the crime scene? And is that gut feeling his intuition or just his hangover coming back to bite him?

Redline, written by producer and art director of *Archer*, Neal Holman, is dark science fiction comedy at its finest. But don't go in expecting "Archer on Mars" – which would be amazing – *Redline* is grounded in reality, but there are traces of *Archer*'s irreverent wit at the edges of the story, particularly where we see coworkers in the field giving each other a hard time. But there are other influences here too, perhaps it's just the red sand or the military uniforms, but when reading this first issue it's hard not to think about Douglas Quaid racing across the Martian desert or Johnny Rico squashing Bugs on Klendathu.

In other words, Holman's *Redline* takes the best parts of his *Archer* experience and gives us a twisted, hilarious addition to the annals of cult sci-fi in the spirit of *Total Recall* and *Starship Troopers*.

X-O MANOWAR #1

Recommended by Trevor

2017 marks the 25th-anniversary of X-O Manowar, and Valiant commemorates this milestone with a relaunch of the series. *X-O Manowar* #1 begins with Aric on an alien world, separated from his armor, and reluctantly pulled into a war waging on his new home world. Returning to his barbaric roots, Aric must fight hand to hand without his armor and rise through the ranks as a warrior.

With ambitious storytelling from Matt Kindt, fans of X-O will get to watch their hero's path from lowly soldier to the ruler of this strange new world and beyond. Every stage of the story has already been planned for the entire year with each three-issue arc of Aric's journey drawn by a favorite Valiant artist simultaneously. The first run will feature art by Tomas Giorello with more to come from Douglas Braithwaite, Clayton Crain, Mico Suayan, and more.

This new series represents Valiant's biggest launch to date and is a great jumping on point for new fans while offering epic new conflicts for long-time fans. War is coming for X-O Manowar and it will set the tone for the Valiant Universe for years to come.

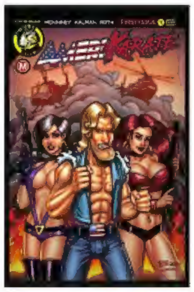
AmeriKarate



Close your eyes and imagine that the movies *Team America World Police* and *Footloose* had a hilarious, high-action, low-brow comic-baby. Now open your eyes and pre-order *AMERIKARATE* #1 from Action Lab! This series is for anyone who loves *South Park*, *GrizzlyShark*, *Rick & Morty*, or AMERICA.

Hold onto your uncles, because our main-man Sam is the most patriotic two-fisted kick-puncher to ever karate-chop an all-American cinderblock. It's too bad that his kickass, made-in-the-USA, bad-boy-drifter lifestyle brought him and his brother into the one town crazy enough to ban KARATE! The townsfolk have been terrorized by ninjas, and it's hard to open your heart to a martial art when you've been burned (to the ground) so badly before. Yet if there's one man who's ready to open these people's minds with a roundhouse kick, it's Sam.

Sam's going to teach us all to fight for our right to fight so that we can fight right tonight. Amerikarate.

SPACE RIDERS: GALAXY OF BRUTALITY #1

Recommended by Jonathan

GALAXY OF BRUTALITY
SPACE RIDERS
ZIRITT · RANGEL JR. · FERRIER

The bad-boy older sibling of the *Guardians of the Galaxy* is set to make a big return next year with *Space Riders: Galaxy of Brutality*. The new sequel sees Captain Peligro reassemble his ragtag crew of misfits to take on an unknown entity that is gaining power throughout the cosmos.

Space Riders is just as funny as it is extreme. It is a comic that presents a clear thesis on what it is, as a result of the master storytellers behind the project. From psychedelic art and colors by Alexis Ziritt that you won't find in any other comic on the shelves, to unique lettering from the master Ryan Ferrier, the sequel to Black Mask's breakout hit is on my list of the best comics to look forward to in 2017. Fabian Rangel Jr. ties it all together with butt-kicking plot and dialogue. There's so much to enjoy within their stories that you are certain to leave satisfied.

If you're looking for retro comic art that makes you analyze each page in great detail, combined with the bonus of a cosmos spanning adventure, make sure that *Space Riders: Galaxy of Brutality #1* is added to your pull list.
